Between

Schoolcraft College
Associate Degree (with MTA)
Wayne State University School of Social Work
Bachelor of Social Work (BSW)

This agreement made this 1st day of January 2020 is by and between Wayne State University (WSU) and Schoolcraft College (Schoolcraft).

Wayne State University and Schoolcraft College intend by this Agreement to set forth the terms and conditions of engaging in an educational program, to facilitate the transfer of students who earn an Associate (AA, AGS or AS) degree with Michigan Transfer Agreement (MTA) endorsement from Schoolcraft College to earn a Bachelor of Social Work (BSW) from Wayne State University School of Social Work.

Article I
Agreement on Program Integrity

WSU and Schoolcraft will maintain the integrity of their separate programs and enter into this agreement as equal and cooperating partner institutions.

Article II
Agreement on Principle

This agreement between WSU and Schoolcraft is intended to provide a smooth and seamless curriculum transition for Schoolcraft students who transfer to Wayne State University to earn a Bachelor of Social Work from the School of Social Work. The agreement is designed for students who follow a prescribed plan of study leading to the Associate degree. The credits transferred from the Associate degree, as outlined in the appendices to this document, will be included in the total credit hours required for the Wayne State University Bachelor of Social Work degree. All other standard admission, curriculum, and graduation requirements of WSU and Schoolcraft must also be met.

Article III
Agreement of Program Articulation

WSU and Schoolcraft agree that any student, who has earned the prescribed Associate Degree, may transfer the credits from their program to the WSU Bachelor of Social Work, as outlined in the attached appendices.

This agreement specifically allows the transfer of up to sixty-nine (69) credits from Schoolcraft College to Wayne State University. This is beyond the currently stipulated sixty-four (64) credits approved by the WSU Board of Governors. The purpose of allowing Schoolcraft students to transfer additional credits is to enable them to complete the Associate and Michigan Transfer Agreement at Schoolcraft in addition to completing the Bachelor of Social Work program at WSU without duplication of coursework. The degree requirements for students who follow this articulation agreement are outlined in Attachment A.

**Article IV
Agreement on Student Support**

WSU and Schoolcraft agree to track the progress and success of articulation participants. Responsibility for this tracking rests with the WSU School of Social Work and Schoolcraft College.

**Article V
Agreement on Communication**

WSU and Schoolcraft agree to cooperate in communication with each other and with common and respective publics concerning the established relationships between the two institutions. Communication will include the development of various kinds of publications to inform those who might benefit from the opportunities provided by this articulation agreement. The appropriate faculty and staff in both institutions will share the information in this agreement with interested and qualified students. Both institutions will provide academic advising to students and prospective students. Joint efforts in marketing the program and student recruiting will be pursued.

WSU and Schoolcraft further agree to communicate annually concerning curriculum changes that may affect the agreed upon program relationship. Responsibility for communication related to this agreement will rest with the individuals appointed under Article VI.

**Article VI
Agreement and Review Body Procedures**

Each institution will appoint one or more faculty administrators to act as agents for the implementation of this agreement, and communicate changes to respective faculty members, advisors, and others to whom the information is pertinent. Responsibility for the oversight of this agreement rests with the Administration at the WSU School of Social Work and Schoolcraft College

Article VII
Regarding Independent Relationship

In the performance of their respective duties and obligations under this Agreement, each party is an independent contractor and neither is the agent, employee, or servant of the other, and each is responsible only for its own conduct. Each institution is responsible for the development and design of its own curriculum. Changes on the part of either party will/may necessitate review of this document.

Article VIII
Agreement not to Discriminate

Each party covenants and agrees that it does not discriminate on the basis of race, creed, color, age, sex, or national origin and it complies with the Americans with Disabilities Act of 1990, and that it does not discriminate on the basis of “physical or mental handicap” except where there exists a bona fide academic qualification.

Each party shall be separately responsible for compliance with all federal and state laws, including nondiscrimination laws and all applicable sections of the Michigan Handicapper’s Civil Rights Act. Illegal discrimination by either party may be considered a material breach of this Agreement.

Article IX
Entire Agreement

This Agreement constitutes the entire agreement between the parties, and all prior discussions, agreements, and understandings, whether verbal or in writing, are hereby merged into this Agreement.

Article X
Amendment/Modifications/or Terminations Provision

Wayne State University and Schoolcraft College agree to the terms of this Agreement. No amendment or modification to this Agreement, including any modification or amendment of this paragraph, shall be effective unless the same is in writing and signed by all parties or their Successors.

This Agreement will be in effect immediately upon signature and will be subject to review for continuance after a period of four (4) years. Renewal will be for four years unless either party notifies the other in writing by December 31 of the year preceding the last year of the agreement of their intention to renegotiate or of non-renewal of this agreement. In the event that this

Agreement must be terminated, all students currently enrolled in the program shall be allowed to complete the program as described.
