

# Affordable access to a premier education

**Support services** and **500+ student organizations** allow Warriors to build a community around their needs and interests.

**16:1 student-to-faculty** means you'll receive specialized instruction from scholarly experts.

**300,000+ proud alumni** work for industry leaders like **Google**, **Corewell Health**, **the Detroit Pistons** and **General Motors**.

Wayne State University is **Michigan's most affordable public research university**.

**51%** of incoming first-year students belong to a pledge program, like the Wayne State Guarantee and Heart of Detroit, which guarantees funding for up to the full cost of tuition – part of **\$338 million in financial aid** our students received last year.

Popular study abroad opportunities around the globe include **Egypt, England, France, Germany** and **South Korea**.

**Nearly 3,000 Warriors live on campus** in modern, apartment-style options minutes away from downtown Detroit.

**Detroit** ranks among U.S. News & World Report's "**Best Places to Live**" for 2022-23.
