A criterion for federal aid eligibility is earning academic credit. Information in the U.S. Department of Education’s central database for student aid, the National Student Loan Data System (NSLDS), https://www.nslds.ed.gov/nslds_SA/, indicates you have received a Federal Pell Grant and/or a Federal Direct Loan at multiple institutions during the past three years but may not have received academic credit. To verify your enrollment history, which is required to determine your eligibility for financial aid, please complete and submit this form to the Office of Student Financial Aid with required documentation within 14 business days. If the verification process is not completed, your financial aid will be canceled.
