

Documenting Program Assessment in Compliance Assist

Cathy Barrette
Director of Assessment
Wayne State University

What is Compliance Assist?

- * <https://wayne.compliance-assist.com/>
- * An online system for storing all program evaluation documentation.
 - * Developer: CampusLabs (www.campuslabs.com)
- * Access is restricted. To request access, please contact Jessica Addy (jaddy@wayne.edu), and provide:
 - * Your AccessID
 - * The program(s) to which you would like access

How do I log on to Compliance Assist?

- * Your username is your AccessID.
- * Your password is whatever password you currently use with your AccessID.

How do I use Compliance Assist

- * Step-by-step instructions are available:
 - * In the *Announcements* section once you log in to Compliance Assist
 - * In this [presentation](#)

Resources for Compliance Assist

- * Cathy Barrette, WSU Director of Assessment

Want More Information?

- * Additional presentations explain how to:
 - * Write mission statements
 - * Write learning outcomes and curriculum maps
 - * Choose assessments
 - * Understand and use the results of your assessments to improve your program
- * Each part has examples and pitfalls to avoid as well!
