COMMENCEMENT ETIQUETTE

Commencement is an exciting and memorable occasion for all our graduates, but it is also a solemn one. Leaving before the ceremony has ended is disruptive and disrespectful to others. Graduates and their guests are expected to remain for the entire ceremony. The last graduate to cross the stage should expect to receive the same honor as the first, so please show consideration for all graduates by remaining seated until the conclusion of the ceremony.

Please refrain from excessive talking, cheering, use of noisemakers and other distractions, as this takes away from the dignity of the ceremony. Watches with alarms, cellphones and beepers can be distracting as well. Out of respect for all graduates and guests, please switch all of your electronic equipment to silent, vibrate or off.

Please observe the instructions and maintain respectful silence, especially during presentations.

Your cooperation will enhance the enjoyment and remembrance of this joyous event for all.

RECOGNITION FOR ACADEMIC ACHIEVEMENT

Students who attain high scholastic achievement are denoted by an asterisk after their name. The official list of graduates cited for *cum laude* (*), *magna cum laude* (**) or *summa cum laude* (***) will be compiled subsequently and their diplomas will carry the appropriate notation. This practice is observed at the undergraduate level only.

Students who have achieved distinction by completing the requirements for department and/or university honors are designated in the program book by (DH) for department honors and/or (UH) for university honors. Their diplomas acknowledge these scholastic achievements. Students graduating with honors conferred by departments, schools and colleges, and by the Irvin D. Reid Honors College are eligible to wear a gold collar in recognition of their achievements.

Elena Past, Ph.D., is acting dean of the Irvin D. Reid Honors College.

PROGRAM BOOK

Names submitted for the program book were compiled by lists submitted by graduate applications. There will be no program reprints to accommodate incorrect spelling or missing names. Due to publication deadlines, names and honor designations of students added to the graduation list after March 18 will not appear in the program book.

The appearance of a name, recognition for academic achievement, and department and/or university honors on the following lists is presumptive, but not conclusive of graduation. Participation in the commencement ceremony does not constitute graduation. Academic records will show the graduation date and recognition for academic achievement when degrees have been certified. Every effort has been made to ensure the accuracy of this program's content. Any omissions or errors are unintentional.

THANK YOU

The Office of University Commencement would like to thank the faculty, staff and students who have volunteered their time and efforts as guest services volunteers or ceremony services volunteers for the May 2024 commencement ceremonies.

We would also like to thank the many university offices and departments for the services they provide to make these ceremonies successful:

Office of the Board of Governors
Academic Senate
Academy of Scholars
Athletics
Computing and Information Technology
Dean of Students Office
Facilities Planning and Management
Marketing and Communications
Media Services
Office of the President
Office of Procurement and Strategic Sourcing
Office of the Registrar
Risk Management
University Television
WSU Alumni Association
313 Dining Co.

Thank you to the college and school deans, their office staff, and academic personnel for their efforts and work with the commencement office to ensure our students are able to participate in this momentous occasion.

HYMN TO WAYNE

To thee, our Alma Mater,
Homage we bring.
Brave hearts raise grateful voices
Thy praise to sing.
Young art thou, young and strong;
Renowned shalt thou live, and long;
Honors to thee will throng-
And Fame to thee cling.
We laud thee, Alma Mater,
Guardian of Right.
Thou art our guide, our mentor-
Thy name shines bright.
Keep Learning's light aflame,
And hold Truth a sacred name,
Honor, thy steadfast aim.
All hail to thy might.

Nicholas Stanley Oates, 1929

THE WSU MACE

The Academic Mace of Wayne State University is a ceremonial scepter whose features relate to the ancient maces used by universities worldwide. Though a symbol of the highest ideals of humankind, many maces exhibit the main characteristics of their most ancient relative, the medieval battle mace or war club.

The university's 51-inch mace consists of layers of carved ebony held in place by a tubular shaft. By tradition it is carried by the president of the Academy of Scholars or a representative and occupies a prominent place before those who attend and conduct the commencement ceremony. It is a symbolic weapon to protect and proclaim the ideals of harmony, truth, justice and learning.

The Academic Mace of Wayne State University is a gift of Sara and Melvin Maxwell Smith. A 1939 graduate of the university, Mr. Smith was for many years a generous contributor to the artistic enrichment of campus life.

The Academic Mace was designed and created in 1984 by Philip Fike, professor of art.

Thank you to the members of the Academy of Scholars who participated as mace bearers for the May 2024 commencement ceremonies.

THE WAYNE STATE UNIVERSITY BOARD OF GOVERNORS

The governors of Wayne State University and their successors in office constitute a body corporate known as the Board of Governors of Wayne State University, in accordance with the Constitution of the State of Michigan. The board consists of eight members elected by the people of Michigan for eight-year terms. Each governor holds office until completion of the term and a successor has been nominated and elected in statewide elections. All vacancies that occur within the eight-year terms are filled through appointment by the governor of the state. Members of the board serve without compensation but are entitled to necessary expenses incurred in connection with the duties of their office.

The Board of Governors elects the president of the university and has general supervision of Wayne State University and the control and direction of all expenditures from university funds. It enacts bylaws and regulations for the conduct of its

business and for the governance of the university. It sets tuition and policy for other fees and charges; determines the compensation to be paid for services; confers degrees; sets the policy for management of gifts, grants, bequests, agreements and contracts; and leases or disposes of property.

Michigan's constitutional system of independent, elected boards to govern its universities is different from systems of most other states. It has helped Michigan to develop and preserve one of the nation's finest systems of colleges and universities. Each governing board devotes itself to one university and is able to work carefully to develop and nurture the excellence of that institution. The constitutional independence of the boards protects the universities from political interference; the election of boards by the voters assures that universities remain responsible to the public at large.

WAYNE STATE UNIVERSITY PRESIDENT KIMBERLY ANDREWS ESPY

Dear Warriors,

Congratulations on your graduation from Wayne State University! We are so excited to celebrate your accomplishment with you today, along with your family and friends.

Earning a college degree takes determination, drive and perseverance, qualities that define our Warriors at Wayne State. I'm so very proud of your achievement, and you should be, too.

Not long ago, you made an intentional choice to attend Wayne State University. You did so because you believed we would prepare you with the knowledge, expertise and experiences necessary to thrive in your future careers. After you graduate today, you will go on to do great things wherever you go, making a positive impact in Detroit and our state, across the nation, and around the world.

Because you chose Wayne State for your academic career, you have played a critical role in making our community so special. In addition to the commitment you showed in earning your degree, you also brought the unique perspectives, insights and care that inspire many others.

As you head into your careers and prosperous lives ahead, remember that you're always a Warrior — now and forever. Please stay in touch! Come back and visit campus and commit to playing a role in providing career experiences that will prepare the next generation of graduates to find their path to success.

Once again, congratulations! Now, go out, forge your own bold path, impact our community in a positive way and make our world a better place. And always remain Warrior Strong.

Sincerely,

Dr. Kimberly Andrews Espy

STUDENT COMMENCEMENT SPEAKER

Jesus Concepcion Cruz-Navarro *School of Social Work*

Jesus Concepcion Cruz-Navarro is graduating with a master of social work from the School of Social Work with a concentration in interpersonal practice. He received his bachelor of social work from Wayne State University in May 2023. While at Wayne State, Cruz-Navarro made history as the first co-president and co-founder — along with fellow M.S.W. student Alondra Barajas — of Unidad de Guerrero/a(s), a Latino/a-led and -focused social work student organization. He was also involved in the Black and Latinx Males in Social Work Initiative, the Social Work Disability Justice Coalition, and served as a CHAMPS (Champions Aspiring to Make Pathways to Success) peer mentor for the Social Work Peer Support Learning Community.

Cruz-Navarro first interned during his bachelor of social work program at the Wayne County Prosecutor's Office Special Victims Unit as a victim advocate in the Victim Services Department. His second internship, which occurred during his

M.S.W. advanced standing program, was at Cesar Chavez Academy Lower Elementary in southwest Detroit as a school social work intern. He is a proud graduate of Cesar Chavez Academy Class of 2018 and was born, raised and still resides in southwest Detroit. During the winter semester of his advanced standing M.S.W. program, Cruz-Navarro split his internship days at Cesar Chavez Academy Lower Elementary and Middle School to have the chance to impact more youth and families within the school community.

Outside of the School of Social Work, Cruz-Navarro continues to do community and street outreach in southwest Detroit with SW Street Outreach, Detroit Southwest Pride and The Ark Association. Faith is a key component for Cruz-Navarro; he is also a member of the Basilica of Ste. Anne, the sister parish of Most Holy Trinity Catholic Church, and attends services with his father at Christian Life Apostolic Ministries. Cruz-Navarro looks to spread unconditional love and healing no matter what environment he enters, regardless of whether he is doing outreach, social work service or collaborating with others.

HONORARY DEGREES

Vassie Lonnie Peek Jr.

Wayne State University awards the Doctor of Laws, *honoris causa*, to Rev. Vassie Lonnie Peek Jr. in recognition of his contributions to the community, support for education, and civic engagement.

Peek transformed higher education by foregrounding the experiences of Black students and the academic field of Black studies. In 1967, he founded the Wayne State University Association of Black Students. Now the Black Student Union, it continues to serve as an important source of community for Black students and the advocacy for social justice on and off campus. Peek's efforts in researching Black studies departments laid the groundwork for the creation of the Center for Black Studies in 1970, which later became the Department of African American Studies, a degree-granting program with vibrant programming that engages the metro Detroit community.

After graduating from Wayne State, he was recruited to Wayne County Community College District and created a Black studies division based upon his work at Wayne State University. There, he served as the department chair of Black studies and the comparative religious studies department and held the role of associate dean of student services. Today, he serves as an advisor to the Black Student Union and continues to advance the cause of social justice at Wayne State.

Over the years, he has served on numerous boards and committees, including New Detroit Inc. and as vice chair of the Detroit Riverfront Conservancy's Citizen Advisory Committee for Belle Isle and program director for the Martin Luther King Jr. Foundation. He has also taught at the University in Ghana, West Africa.

Peek earned a bachelor's from West Virginia State University, a master's in social work from Wayne State University and a master's in religious studies from Ashland Theological Seminary.

Wayne State University proudly bestows on Rev. Vassie Lonnie Peek Jr. the degree of Doctor of Laws, *honoris causa*.

HONORARY DEGREES

Joel Martin (Bacow)

Wayne State University awards the Doctor of Laws, *honoris causa*, to Joel Martin (Bacow) in recognition of his accomplishments as a businessman, producer, publisher, artist, and overall contributor to the arts and humanities in Detroit and across the world.

Born in Detroit, Martin attended Wayne State University and, while living at The Belcrest Hotel on Cass Avenue, opened a small business known as Hole in the Wall Guitar Shop. He went on to work and produce with music legends such as George Clinton, The Romantics and Sponge. In 1995, along with partners/producers Mark and Jeff Bass, he discovered and promoted the rapper Eminem to wide success.

Martin is a passionate advocate for the inclusion of people with disabilities, supporting the first all-deaf television and internet channel in the United States, DPAN.TV, which presents news and specials through sign language for the Deaf community. He was also instrumental in the collaborative vision of the Wayne State University College of Liberal Arts and Sciences Humanities Commons as an accessible place for students to convene civil discussions on timely topics and critical events.

Wayne State University proudly bestows on Joel Martin (Bacow) the degree of Doctor of Laws, *honoris causa*.

HONORARY DEGREES

James A. Anderson

Wayne State University awards the Doctor of Laws, *honoris causa*, to James A. Anderson for his achievements as an engineer, educator, entrepreneur, philanthropist and advocate for education, social justice and community development.

After earning a bachelor of science in civil engineering and a master of science in civil engineering from Wayne State University, Anderson joined the engineering faculty and later worked in the university's Center for Urban Studies. He is the founder, president and chief executive officer of Urban Science, headquartered in Detroit, and chairs the Wayne State University Foundation Board and College of Engineering Board of Visitors.

Anderson's vision combines science and technology with an entrepreneurial spirit to make the world a better place. He strives to improve the world while creating economic opportunities for students and innovators and has helped many people transition dreams into business and industry success.

Wayne State University proudly bestows on James A. Anderson the degree of Doctor of Laws, *honoris causa*.

ACADEMY OF SCHOLARS

The Academy of Scholars of Wayne State University was approved by resolution of the Board of Governors in 1979.

The Academy of Scholars is committed to recognizing outstanding excellence in scholarship and in creative achievement of the faculty members at Wayne State University. The academy's founding purpose was and has remained to raise the scholastic prestige of the university by bringing the most prominent academic experts to campus under its aegis and to create a community of scholars from among its most celebrated researchers. Appointment to the academy is the highest recognition that may be bestowed upon faculty members by their colleagues.

CAPS, GOWNS AND HOODS

One of the most colorful features of an academic procession is the appearance of the graduates, faculty, cabinet and Board of Governors in full academic costume. These caps, gowns and hoods have long histories, and their patterns and colors have special significance.

The gown recalls the time when all students in centers of higher learning were members of the clergy and therefore wore garments the church considered proper.

The custom of wearing a cap comes from the Roman practice of giving slaves the right to wear a cap when they were granted their freedom. The Oxford or "mortarboard" cap worn today is thought to be a combination of the close-fitting cap worn indoors by scholars of the Middle Ages and the soft square biretta worn outdoors. The tuft on the early cap has been replaced by a colored tassel that signifies the college granting the degree.

In modern universities, the distinctive mark of a degree is the hood, which in its earliest form was simply an article of clothing. Since the churches and lecture halls of European universities were cold, drafty places, scholars wore hoods as head coverings, attached to a cape or worn separately.

American universities, unlike those of England and Europe, have adopted a standard code of academic costume. The design of the gown, the color of the tassel and the pattern, length and colors of the hood all have special meaning.

Each graduate wears a gown appropriate to the degree granted. The bachelor's gown is closed at the throat and has long, pointed sleeves. The master's gown has oblong sleeves, open at the wrists, and tapers at the back in a square cut. The doctor's gown is faced with velvet and has bell-shaped sleeves. Each sleeve carries three bars of velvet, or chevrons. Wayne State uses a specially designed green gown for its Ph.D. and Ed.D. candidates.

The most colorful part of the costume is the hood. The color of the velvet trim indicates the department in which the degree was granted; the width corresponds to the level of the degree. At this ceremony, candidates for master's and doctoral degrees wear hoods with lining in the university's colors.

**WAYNE STATE
ALUMNI**
THEN. NOW. ALWAYS.

Congratulations from the Wayne State University Alumni Association

On behalf of the Wayne State University Alumni Association, congratulations on your graduation!

We applaud you for reaching this important milestone after years of hard work and dedication. As you prepare to embark on the next phase of your life, you are now one of more than 300,000 Wayne State University distinguished alumni from all over the world and you automatically are a lifetime member of the Alumni Association.

We encourage you to stay connected by visiting campus often, staying informed, volunteering, and attending alumni events. WSU alumni are passionate about our university community and the Alumni Association is here to support your professional and personal success through our diverse slate of alumni programs, events and initiatives.

The Alumni Association is extremely proud of your accomplishments. We welcome you, congratulate you and look forward to working together with you to make Wayne State University Warrior Strong.
