

MAY 2021 COMMENCEMENT

WAYNE STATE
UNIVERSITY

WAYNE STATE UNIVERSITY PRESIDENT M. ROY WILSON

Dear graduate,

Congratulations! Graduating from Wayne State University is a remarkable achievement, so take time to celebrate all the hard work and sacrifice it took to get here. This year's graduation looks different than it has in other years, but your accomplishments are in no way diminished because of it. We look forward to hosting an in-person celebration for you in the spring of 2022, when it is safe to do so.

As you arrive at this milestone, I'm confident your time at Wayne State has prepared you to reach many more. You've shown, through your flexibility and grace during difficult and unanticipated challenges, that you are well equipped to succeed in an ever-changing and diverse world. You'll certainly benefit from your many hours of study, and also the opportunities you've had to engage with the world outside the classroom from our campus in Detroit. This gives you a distinct advantage.

Yet the richest reward of your time here at Wayne State may be the wisdom you've gained that has made you a productive, compassionate and thoughtful citizen, committed to making a difference in your community.

Wayne State demanded your best because we wanted you to reach your full potential as a student. Today, we ask for one more thing: Keep in touch. Stay engaged with the university, and help a new generation access the transformative opportunities you have had here.

We trust that your experience at Wayne State University has kindled a lifelong passion for learning. So instead of goodbye, I'll say, "Until we meet again." Now, more than ever, it's important for us to remain Warrior Strong. Best wishes to you and to the entire class of 2021.

Sincerely,

M. Roy Wilson
President

MAY 2021 COMMENCEMENT

RECOGNITION for ACADEMIC ACHIEVEMENT

Students who attain high scholastic achievement are denoted by an asterisk after their name. The official list of graduates cited for *cum laude* (*), *magna cum laude* (**) or *summa cum laude* (***) will be compiled subsequently and their diplomas will carry the appropriate notation. This practice is observed at the undergraduate level only.

Students who have achieved distinction by completing the requirements for department and/or university honors are designated in the program book by (DH) for department honors and/or (UH) for university honors. Their diplomas acknowledge these scholastic achievements. Students graduating with honors conferred by departments, schools and colleges, and by the Irvin D. Reid Honors College are eligible to wear a gold collar in recognition of their achievements.

John Corvino, Ph.D., is dean of the Irvin D. Reid Honors College.

GRADUATE NAMES

Names submitted for the program book were compiled by lists submitted by graduate applications. There will be no program reprints to accommodate incorrect spelling or missing names. Due to publication deadlines, names and honor designations of students who applied for graduation after **March 12, 2021**, will not appear in the program book.

The appearance of a name, recognition for academic achievement, and department and/or university honors on the following lists is presumptive, but not conclusive of graduation. Participation in the commencement ceremony does not constitute graduation. Academic records will show the graduation date and recognition for academic achievement when degrees have been certified. Every effort has been made to ensure the accuracy of this program's content. Any omissions or errors are unintentional.

“HYMN to WAYNE”

To thee, our Alma Mater,
Homage we bring.
Brave hearts raise grateful voices
Thy praise to sing.
Young art thou, young and strong;
Renowned shalt thou live, and long;
Honors to thee will throng-
And Fame to thee cling.
We laud thee, Alma Mater,
Guardian of Right.
Thou art our guide, our mentor-
Thy name shines bright.
Keep Learning's light aflame,
And hold Truth a sacred name,
Honor, thy steadfast aim.
All hail to thy might.

Nicholas Stanley Oates, 1929

The WAYNE STATE UNIVERSITY BOARD of GOVERNORS

The Governors of Wayne State University and their successors in office constitute a body corporate known as the Board of Governors of Wayne State University, in accordance with the Constitution of the State of Michigan. The board consists of eight members elected by the people of Michigan for eight-year terms. Each governor holds office until completion of the term and a successor has been nominated and elected in statewide elections. All vacancies that occur within the eight-year terms are filled through appointment by the governor of the state. Members of the board serve without compensation but are entitled to necessary expenses incurred in connection with the duties of their office.

The Board of Governors elects the president of the university, and has general supervision of Wayne State University and the control and directions of all expenditures from university funds. It enacts bylaws and regulations for the

conduct of its business and for the governance of the university. It sets tuition and policy for other fees and charges; determines the compensation to be paid for services; confers degrees; sets the policy for management of gifts, grants, bequests, agreements and contracts; and leases or disposes of property.

Michigan's constitutional system of independent, elected boards to govern its universities is different from systems of most other states. It has helped Michigan to develop and preserve one of the nation's finest systems of colleges and universities. Each governing board devotes itself to one university and is able to work carefully to develop and nurture the excellence of that institution. The constitutional independence of the boards protects the universities from political interference; the election of boards by the voters assures that universities remain responsible to the public at large.

STUDENT COMMENCEMENT SPEAKERS

Regina Baker
College of Education

Regina Baker is graduating with a doctor of education in educational leadership and policy studies from the College of Education.

A native Detroiter, Baker also earned her special education certification and master's from Wayne State.

Baker recently completed a study focusing on principals, discipline policies, and the suspensions and expulsions of adolescent African American males. She plans to continue exploring school discipline, practices, and evidence-based research to improve the school experiences and academic outcomes for Black boys.

Baker is a special education consultant with the Wayne Regional Educational Service Agency, where she serves on the School Social Justice Committee and General Supervision and Accountability team.

She is happily married with two adult sons, one of whom was a scholar-athlete who played Warrior basketball.

Lauren Dempsey
College of Education

Lauren Dempsey is graduating with a master of education in learning design and technology from the College of Education.

Dempsey is a lifelong learner and experienced instructional designer and coach. Dempsey currently works as a technology integration specialist for the Bloomfield Hills School District, helping teachers and students enhance their learning experiences through technology.

Following graduation, Dempsey will work toward redefining professional learning and development with modern technology tools and innovative instructional practices.

Nathan Hughes
College of Education

Nathan Hughes is graduating with a bachelor of science in exercise and sport science, with honors, from the College of Education.

A native of Pinckney, Hughes is a physical therapy technician in Farmington Hills and a sales associate at Orangetheory Fitness Detroit.

During his time as a student, Hughes was involved in several student organizations, including the Exercise Physiology Club and Delta Epsilon Mu, a co-ed, pre-health fraternity, for which he served as the director of prospects for the last two years.

Two summers ago, he traveled to Honduras with Global Brigades to provide medical relief to small, rural communities.

After graduation, Hughes plans to spend time camping and enjoying the great outdoors before he begins the doctor of physical therapy program at Wayne State in the fall.

STUDENT COMMENCEMENT SPEAKERS

Rachel Zelenak
*College of Liberal Arts
and Sciences*

Rachel Zelenak is graduating from the College of Liberal Arts and Sciences with a bachelor of arts in the honors psychology program. An exemplary

student, she received the Department of Psychology's Distinguished Achievement Award in 2018. She has also received research grants through the Undergraduate Research Opportunities Program (UROP) and Psi Chi to pursue her research endeavors at Wayne State.

Zelenak also had the privilege of being involved in several research labs and traveled to present research to the College on Problems of Drug Dependence and the International Society for Research on Nicotine and Tobacco. This year, she had the unique opportunity to present growing research on religious betrayal trauma theory at the International Society for the Study of Trauma and Dissociation.

During her time at Wayne State, Zelenak volunteered as a Psychology Academic Support Services (PASS) peer mentor. She is passionate about encouraging other students to achieve their full potential through empathy and community support. Zelenak is also passionate about interfaith studies and, in 2019, she received a scholarship to present on the concept of inter-religious dialogue to United Nations representatives in the Philippines.

Kristina Poberezhnaya
College of Engineering

Kristina Poberezhnaya is graduating from the College of Engineering with a bachelor of science in biomedical engineering with a concentration in biomechanics.

An alumna of Cass Technical High School, a first-generation college student and the youngest in her family, Poberezhnaya constantly looked up to her siblings as her role models. Her sister, Yekaterina, a physical therapist assistant, served as her biggest supporter, and her brothers, Sergey and Mikhail, who also graduated from the Wayne State University College of Engineering with electrical and mechanical engineering degrees, inspired her to continue her education, becoming the third engineer in the family.

Aside from embodying the American dream to Russian immigrant parents, Poberezhnaya embodies the true Warrior spirit, continuously giving back to Wayne State and her community, and empowering other girls and young women to pursue STEM education. She is active in the Society of Women Engineers, serving as the group's president and volunteering with local elementary and high schools to spark students' enthusiasm for engineering.

Poberezhnaya also serves on the new Women in Engineering Executive Leadership Society, developing resources that will allow future graduating classes to reach their full potential.

Throughout her academic career, she has gained real-world experiences shadowing medical professionals both here and abroad, laying the foundation to pursue her career aspirations in the medical device industry.

STUDENT COMMENCEMENT SPEAKERS

Amani El-Edlebi
School of Social Work

Amani El-Edlebi received her bachelor of social work from Wayne State University in 2020 and is currently pursuing a dual graduate degree in social work and public health. She was also selected as

the master of social work student of the year.

As an undergraduate, El-Edlebi conducted research with faculty in a developmental lab within WSU'S Merrill Palmer Skillman Institute for Child and Family Development (MPSI) and engaged in program evaluation efforts, including the development of program databases and manuals.

El-Edlebi's interest in social work and the criminal justice system began through her community work at a local grassroots organization that focused on empowering men living in an urban environment. She also engages in policy change community groups where the focus is on advocating for legal and policy changes in Michigan that adversely affect men and their ability to be actively involved with children and families.

El-Edlebi currently works as a data assistant for the School of Social Work Center for Behavioral Health and Justice, where she assists in the entry, coding and analysis of multiple data sets from jails, courts and state-level agencies. In addition to her data responsibilities, she also assists in the writing of manuscripts and reports.

Mary Zoran
School of Social Work

Mary Zoran is graduating with a bachelor of social work from the School of Social Work. She has spent the past year involved with social work student organizations, serving as a volunteer

administrative assistant for the new learning community, Social Work Peer Support (SWPS), where she worked with the peer mentors to create student events, attend weekly meetings and peer hangouts, and manage the group's Canvas page. Her work has given her the opportunity to interact with other social work student organizations and find ways to support and engage students during the pandemic.

Zoran has also accepted an invitation to serve with City Year AmeriCorps in Detroit, where she will be a tutor and mentor to younger students next fall. She hopes this program will help her further develop her social work skills and become more involved with the Detroit community.

Zoran has shown dedication and commitment to her schoolwork and to her development as a social worker throughout the B.S.W. program. She was also selected as the bachelor of social work student of the year.

Zoran has been uplifted by the opportunities from Wayne State that have allowed her to learn more about her strengths and weaknesses in order to best serve individuals and communities.

STUDENT COMMENCEMENT SPEAKERS

Jad Hamdan
Mike Ilitch School of Business

Jad Hamdan is graduating with a bachelor's in information systems management and global supply chain management from the Mike Ilitch School of Business.

Hamdan recently completed an internship at Venture for America, where he led an intern team of five and supported the complex task of transitioning the annual Training Camp & Redux programming to a virtual setting for the first time.

Prior to this, Hamdan worked at Rocket Fiber in downtown Detroit, where he developed processes to boost residential market penetration rates, maintained the collection of over \$15,000 in asset revenue and designed new onboarding documents to increase new-hire engagement.

As a highly active member of the WSU community, Hamdan has served as president of the Information Technology Organization, founder of the Business Networking Council, co-president and chief technology officer of the Business Student Senate, student ambassador for Ilitch Business and outreach coordinator of the Lebanese Student Association. He was recently designated the board director of Agency M-1, a student-led consultant agency created out of a \$75,000 grant awarded to the Information Technology Organization.

Outside of school, Hamdan founded his own nonprofit gaming organization, New Dawn Gaming, which hosts more than 300 players and is dedicated to creating an online video gaming experience for all with a transparent and friendly community environment.

Hamdan's broad business background and community engagement helped him to be accepted as a fellow with Venture for America, a prestigious national entrepreneurship fellowship program that mobilizes newly graduated college students to impact and create opportunities in America's emerging cities. With only about 200 graduating/ recently graduated college students accepted each year, it is an honor for Wayne State to place one of our own within the program.

Kevin Andrew Papuga II
College of Fine, Performing and Communication Arts

Kevin Andrew Papuga II is a 30-year-old, first-generation college graduate, graduating with a bachelor of arts from the College of Fine, Performing and

Communication Arts with a major in public relations and a minor in communication studies.

Papuga made his way to Wayne State University as a transfer student via Jackson College's Prison Education Initiative program, where he became a student ambassador and writing tutor, obtained a 4.0 throughout his course of study, completed his associate degree in general studies, and qualified for academic scholarships — all while finishing his 70-month stay in the MDOC.

He has used his time at WSU to get involved where his passions lie and offer his continual support and unique perspective to new transfer (and prospective) students through WSU's Transfer Student Success Center. As a transfer student ambassador, Papuga holds a pre-professional role in our higher education community, where he regularly interacts and engages with incoming students on myriad platforms. He has helped create and facilitate both weekly and holiday events for transfer students (in person and virtual). He regularly provides his services to prospective students with relevant information to better navigate the transfer process, and Papuga thoroughly enjoys sitting on student panels and sharing his personal transfer story.

Papuga is a fierce lover of literature and has chosen to leave us all with one of his favorite quotes from Ralph Waldo Emerson: "What lies behind us and what lies before us are tiny matters when compared to what lies within us."

STUDENT COMMENCEMENT SPEAKERS

Kiristen Hubbard
*Irvin D. Reid Honors
College/College of Liberal
Arts and Sciences*

Kiristen Hubbard graduated in the fall of 2020 with a bachelor of science in psychology and double minors in criminal justice and sociology

from the College of Liberal Arts and Sciences and the Irvin D. Reid Honors College.

Hubbard completed research as a McNair Scholar focusing on effective rehabilitation programming within correctional institutions and its impact on recidivism rates.

During her time at Wayne State, she was a member of the following organizations and committees: Community of Scholars, the African American Psychology Student Organization (AAPSO), Justice Society, Student Activities Funding Board (SAFB), Sociology Club, Criminal Justice Chairs Council and the Welcome Black Planning Committee; she was an outside student for the inaugural cohort of the National Inside-Out Prison Exchange Program. Hubbard was also one of the student leaders chosen to study abroad in Israel and Palestinian territories, in an effort to learn more about the Israeli and Palestinian conflict.

Hubbard is passionate about working with marginalized populations. She co-founded two community service initiatives, Kings and Queens Scholarship Ball and #ProjectFEM (Feminine Essential Materials). The initiatives provided minority high school and undergraduate students with scholarships for academic excellence and community involvement. #ProjectFEM educated high school students about period poverty and the pink tax, while collecting over \$1,000 worth of feminine products for homeless women annually.

Hubbard will be attending the University of Denver this fall, pursuing her master of arts in forensic psychology. She is currently a detox counselor at Dawn Farm, a substance abuse treatment facility located in Ann Arbor and Ypsilanti. Hubbard plans to become a forensic psychologist for the FBI.

Mary Yousif
*Irvin D. Reid Honors
College/College of Liberal
Arts and Sciences*

Mary Yousif is a pre-medical student graduating with a bachelor of arts, with honors, in romance languages, Spanish, from

the College of Liberal Arts and Sciences and a co-major in university honors from the Irvin D. Reid Honors College.

Yousif grew up with a passion for learning and speaks five languages — English, Arabic, Aramaic (Chaldean), Spanish and Greek — with hopes to learn more in the future.

Yousif serves as the president of Wayne State's El Club Hispano and dedicates herself to educating its members and the campus community about the language, history, literature and culture of the Spanish-speaking world. In addition to her involvement with El Club Hispano, she is a peer mentor for the Spanish learning community at Wayne State, where she strives to encourage students to continue their learning of a foreign language.

From serving on the Club Hispano board to peer mentoring, Mary furthers her dedication to the community by volunteering with La Casa Guadalupana, a family literacy program in southwest Detroit. There, she tutors school-aged children in subjects like math, reading, writing and science.

STUDENT COMMENCEMENT SPEAKERS

Raisa Zahir
*Irvin D. Reid Honors
College/College of Liberal
Arts and Sciences*

Raisa Zahir is graduating with a bachelor of science in nutrition and food science, with university and departmental honors, from the College of

Liberal Arts and Sciences and the Irvin D. Reid Honors College. She is also a 2017 Wayne Med-Direct Scholar.

Throughout her time at Wayne State, she has developed a passion for giving back to her community through volunteering in the NICU of the Children's Hospital of Michigan and being a peer mentor for the Honors Living Learning community.

Zahir also founded Haashi Makeup, an organization that aims to provide free cleft lip and palate surgeries to children in Bangladesh.

Zahir will be attending Wayne State University's School of Medicine, where she currently plans to become an obstetrician-gynecologist and advocate against disparities in immigrant health care.

Emily Dove-Medows
*Graduate School/College
of Nursing*

Emily Dove-Medows is graduating with a Ph.D. in nursing. She previously earned a master's in nursing with a specialty in nurse midwifery from Wayne State University in 2011. Her bachelor of arts

is from the Gallatin School of Individualized Study at New York University, where she also received her second bachelor's, in nursing, in 2009.

Dove-Medows is a two-time recipient of the Graduate Professional Scholarship from Wayne State and was supported by a graduate research assistantship during her Ph.D. program.

She has worked as a home health nurse with the Maternal Infant Health Program in neighborhoods all over the city of Detroit. As a midwife, she has worked with people across the lifespan in a gynecology practice, multidisciplinary pelvic floor center and full-scope practice.

Her dissertation, "Property, Power, and Preterm Birth," was a mixed-methods study that explored racial residential segregation and preterm birth among pregnant Black women, inspired by her clinical practice.

Dove-Medows graduates today with several peer-reviewed publications, and she will be starting postdoctoral study at the University of Michigan.

STUDENT COMMENCEMENT SPEAKERS

Esmat Ishag-Osman
*Graduate School/College of
Liberal Arts and Sciences*

Esmat Ishag-Osman is graduating with a Ph.D. in political science, with a concentration in American government and a minor in urban and comparative politics. His dissertation research focused on American primary systems, examining their impact on candidate behavior, electoral outcomes and democratic governance.

Before attending Wayne State, Ishag-Osman received a bachelor's in political science from Michigan State University. A first-generation immigrant whose family moved from Ghana to Detroit in 1998 after his mother received an opportunity to earn her Ph.D. in cancer biology from Wayne State University, he felt it was only right to continue the legacy Wayne State afforded his family and chose Wayne State to pursue his doctoral degree.

In his seven years living in Detroit, Ishag-Osman has been involved in every aspect of civic life in the city. He has three years of teaching experience, working as a political science instructor at Wayne State University. During that time, he also worked as a senior policy analyst for a Detroit-based, civic engagement nonprofit called CitizenDetroit. He has worked on two city-wide campaigns, serving as a campaign manager for a school board race and treasurer for a district court judge's re-election campaign. Ishag-Osman has also worked as a community organizer, serving as a district vice chair for Michigan's 13th Congressional District Democratic Party Organization. He is a 2021 fellow in the Michigan Political Leadership Program and is currently on the board of directors for Black Family Development, Inc.

Ishag-Osman lives in Detroit with his wife, who is pursuing a master's at Wayne State. He is currently working as a research assistant with the political science department and the Center for Urban Studies.

Dissertation Advisor: Professor Farshad Fotouhi-Ardekani
Computer Science

Mussie Seyoum Naizghi

B.S. 2004, University of Asmara

M.S. 2015, Masdar Institute of Science and Technology

Dissertation: "Factors Affecting Implementation of Earned Value Management (EVM) in Construction Projects."

Dissertation Advisor: Professor Mumtaz Usmen
Civil Engineering

Christopher Nazelli

B.A. 1994, M.A. 1996, Wayne State University

Dissertation: "Understanding Pre-Service Elementary Mathematics Teacher Learning in an Early Lesson Study Experience."

Dissertation Advisor: Professor Jennifer Lewis
Curriculum and Instruction

Younes Nejahi

B.S. 2012, Isfahan University of Technology

M.S. 2016, Wayne State University

Dissertation: "Code and Parameter Optimization for Parallel and Scientific Computing."

Dissertation Advisor: Professor Loren Schwiebert
Computer Science

Huong Nguyen

B.S. 2015, Hanoi University of Pharmacy

Dissertation: "Investigating Pro-Angiogenic Effects of A Novel Imidazolinone Metformin-Methylglyoxal Metabolite, Imz: A Potential Therapy For Peripheral Artery Disease."

Dissertation Advisor: Professor Terrence Monks
Pharmaceutical Sciences

Thomas Palazzolo

B.A. 2005, M.A. 2007, University of Detroit Mercy

Dissertation: "Exploring Virtual Worlds with Cultural Algorithms: Ancient Alpena-Amberley Land Bridge."

Dissertation Advisor: Professor Robert Reynolds
Computer Science

Blake Roberts

B.A. 1989, University of Western Ontario

M.A. 2005, University of Windsor

Dissertation: "Situating Social Media in the Policy Pipeline: A New Pathway in Agenda Setting Research?"

Dissertation Advisor: Professor Sharon Lean

Dissertation Advisor: Professor April Hazard Vallerand
Nursing

Jessica Stewart

B.S. 2013, M.S. 2015, Central Michigan University

Dissertation: "The Biology and Biochemistry of APOBEC3A."

Dissertation Advisor: Professor Ashok Bhagwat
Chemistry

Micaela Trexler

B.S. 2016, M.E. 2017, Boston University

Dissertation: "Label-Free Phenotypic Detection, Diagnosis, and Characterization of Influenza Virus Using AFM, Raman Spectroscopy (TERS), and Machine Learning Classification."

Dissertation Advisor: Professor Gregory Auner
Biomedical Engineering

Geari Viney

B.A. 2002, MidAmerica Nazarene University

M.B.A. 2003, Benedictine College

Dissertation: "Institutional and Personal Support for Returning Baby Boomers in Online Master's Programs."

Dissertation Advisor: Professor Monica Tracey
Learning Design and Technology

Donovan Watza

B.S. 2012, Michigan State University

Dissertation: "Immune-Centric Genetic Determinants of Lung Cancer Outcomes."

Dissertation Advisor: Professor Ann Schwartz
Cancer Biology

Zhexin Wen

B.S. 2016, Central South University

Dissertation: "Stochastic Kolmogorov Systems With Wideband Noises."

Dissertation Advisors: Professors George Yin and Pei-Yong Wang
Mathematics

Jordan White

B.S. 2016, University of Michigan-Flint

Dissertation: "Development of Novel ImmunoPET Agents as Predictive Markers for Response to Treatment."

Dissertation Advisor: Professor Nerissa Viola
Cancer Biology

Dissertation: "Development of Episodic Memory: Age-Related Differences in Memory Constructs and Hippocampal Subfield Correlates."

Dissertation Advisor: Professor Noa Ofen
Psychology

Qiuye Yu

B.S. 2011, Jiangsu University

M.S. 2016, Wayne State University

Dissertation: "Study the Nonlinear Effect Induced by Ultrasound Transducer in Sonic Infrared Imaging."

Dissertation Advisor: Professor Xiaoyan Han
Electrical Engineering

Qian Zhang

B.S. 2013, Shenzhen University

M.S. 2016, Fudan University

Dissertation: "The Epigenetic Regulation of Mdig and Its Alternative Splicing Induced by CRISPR-Cas9."

Dissertation Advisor: Professor Fei Chen
Pharmaceutical Sciences

Selina Zhao

B.S. 2004, M.S. 2006, Chongqing University

M.S. 2010, Wayne State University

Dissertation: "Investigation of High-Pressure Resin Transfer Molding Process for Carbon Fiber Composites."

Dissertation Advisor: Professor Golam Newaz
Mechanical Engineering

Yang Zhou

B.E. 2013, Xi'an Jiaotong University

M.S. 2014, University of Michigan-Dearborn

Dissertation: "Electromyography(EMG) Signal Processing for Bionic Upper-limb Exoskeleton Control."

Dissertation Advisors: Professors Chaoyang Chen and Mark Cheng
Biomedical Engineering

Hui Zhu

M.S. 2014, Wuhan University

Dissertation: "Islets Encapsulation With Zwitterionic Materials to Treat Type 1 Diabetes."

Dissertation Advisor: Professor Zhiqiang Cao
Materials Science and Engineering

Congratulations!

On behalf of the Wayne State University Alumni Association, congratulations on your graduation!

We applaud you for reaching this important milestone after years of hard work and dedication. As you prepare to embark on the next phase of your life, you are now one of more than 274,000 Wayne State University distinguished alumni from all over the world and you automatically are a lifetime member of the Alumni Association.

We encourage you to stay connected by visiting campus often, staying informed, volunteering, and attending alumni events. WSU alumni are passionate about our University community and the Alumni Association is here to support your professional and personal success through our diverse slate of alumni programs, events and initiatives.

The Alumni Association is extremely proud of your accomplishments. We welcome you, congratulate you, and look forward to working together with you to make Wayne State University Warrior Strong.
