CEREMONY SCHEDULE

Graduates,

Congratulations on your graduation from Wayne State University! It's almost time to celebrate your academic achievements with your family and guests at the May 2024 commencement ceremonies.

Commencement provides the university an opportunity to recognize the accomplishments of its graduates and share in the excitement with faculty, administration, staff, fellow graduates, and family and guests.

Commencement is an exciting and memorable occasion for all of our graduates, but it is also a solemn one. Leaving before the ceremony has ended is disrespectful to others. Graduates and their guests are expected to remain for the entire ceremony. The last graduate to cross the stage should expect to receive the same honor as the first, so please show consideration by remaining seated until the conclusion of the ceremony.

The information included here will assist you in preparing for your special day. This guide includes important instructions for you, your family and your guests. Please read the guide carefully to ensure your milestone event is a joyous and memorable one.

Congratulations and best of luck on your future endeavors!

ARRIVAL TIMES AND GRADUATE ENTRY

Graduates must arrive one hour before the ceremony start time and report to the Matthaei Physical Education Center for a graduate ticket.

Graduates should arrive in their academic regalia (cap and gown). Be sure to wear the tassel you were issued with your cap and gown; tassels are color-coded to signify the college/school granting the degree. Tassels should be on the right side for graduates receiving bachelor's degrees. Master's and doctoral candidates should have their tassels on the left, signifying their previous degree or degrees.

Please dress appropriately and wear comfortable footwear. As a safety precaution, spiked or high-heeled shoes are not recommended, as you will be walking on cement and will need to ascend and descend stairs during the ceremony. Please note, there is a "no-bag" policy at the fieldhouse – leave coats, handbags and all valuables at home or with your guests.

NAME ANNOUNCEMENT CARD

Upon arrival at Matthaei, graduates will be given a name announcement card with a QR code, which they will hand to staff during the diploma processional across the stage. You will then be directed to the fieldhouse and your school/college seating area.

GRADUATE SEATING

There is no rehearsal prior to the ceremony. **All graduates must be in Matthaei 45 minutes prior to the start of the ceremony to receive important instructions and directions.** If you arrive late, you may not be seated with your school/college and may be seated in the overflow seating section of the fieldhouse. Please arrive on time.

CEREMONY INFORMATION

COMMENCEMENT ETIQUETTE

Commencement is an exciting and memorable occasion for all graduates, but it is also a solemn one. Leaving before the ceremony has ended is disruptive and disrespectful to others. Graduates and their guests are expected to remain for the entire ceremony.

The last graduate to cross the stage should expect to receive the same honor as the first, so please show consideration for all graduates by remaining seated until the conclusion of the ceremony.

Please refrain from excessive talking, cheering, use of noisemakers and other distractions as this takes away from the dignity of the ceremony. Cellphones, beepers and watches with alarms can also be distracting.

Out of respect for all graduates and guests, please switch any and all of your electronic equipment to silent, vibrate or off.

THE CEREMONY

Each ceremony will feature greetings by university officials, a student speaker, the conferral of degrees and the diploma processional across the stage.

ANNOUNCING OF GRADUATE NAMES

Graduates' names will be announced during the diploma processional across the stage. Name pronunciation cards will be given to each graduate upon arrival at Matthaei.

DIPLOMA PROCESSIONAL MARCH

Each graduate is presented with a special diploma cover during the diploma march. Bachelor's, master's and doctoral diplomas are mailed approximately four to six weeks after degrees have been certified. Ph.D./Ed.D. graduates are presented with their diplomas at the ceremony.

CEREMONY INFORMATION

GRADUATE PHOTOGRAPHS

Grad Images, the official university commencement photographer, will be at commencement to take graduate photos during the ceremony. You will receive information from them by email and by mail. Find out more about their services at gradimages.com.

RECESSIONAL

Following the ceremonial recognition of the graduates, the platform party and faculty will leave the fieldhouse during the recessional march. Graduates and guests should remain seated until they have exited the fieldhouse. The commencement emcee will dismiss graduates and guests.

MEETING AFTER THE CEREMONY

Communicate with your guests where to meet after the ceremony. We highly recommend you choose to meet outside or at a location with which you all are familiar.

ADDITIONAL INFORMATION

PROGRAM BOOK

The graduate's name will appear in the program book as it was typed or written on the degree application. There will be no program reprints to accommodate incorrect spelling or missing names because of late degree applications. Due to publication deadlines, names and honors added to or changed on the graduation list after March 10 will not appear in the program book.

Student names were submitted for the program book by their school or college. If a student's name does not appear in the program book, they should contact their school or college degree coordinator or the Office of Records at **313-577-3531** to verify graduation eligibility.

DISTINCTION AND HONORS

Wayne State University bestows upon students completing the baccalaureate degree three separate designations for scholastic excellence reflected in the cumulative honor point average. Graduation With Distinction recognizes the top 20% of students in each college/school who have earned the highest honor point average: *summa cum laude* (top 5%), *magna cum laude* (next 5%) and *cum laude* (next 10%). To be eligible for consideration, students must have accumulated 56 or more hours in residence at Wayne State University. Graduation With Distinction will be noted in the program book as well as indicated on the student's diploma and on the transcript. This practice is observed at the undergraduate level only. If you have any questions, please contact your academic advisor.

Students who have achieved distinction by completing the requirements for department and/or university honors are designated in the program book by (DH) for department honors and/or (UH) for university honors. Students graduating with honors conferred by departments, schools and colleges, and the Irvin D. Reid Honors College are eligible to wear a gold collar in recognition of their achievements. Students will be notified by the college or school if they have met the requirements.
