2019-20 Federal Direct Loan Fall-Winter Semester Process

Student's First Name ___________________________ 9-digit WSU Student ID # ___________________________
Student's Last Name ___________________________ Phone Number ___________________________

Use this form if you have accepted a **2019-20 Federal Direct Loan** for the fall-winter semesters, but are not yet registered for the winter semester.

We cannot process a federal student loan after the semester has ended. This includes Federal Direct Subsidized/Unsubsidized loans, Federal Parent PLUS loans and Federal Grad PLUS loans.

**If you intend to register for the winter semester** we will process your loan on the condition that you enroll at least half-time (6 credits undergrad, 4 credits grad, 5 credits JD) for the winter semester.

**If you do not enroll as intended**, your fall and winter loans will be removed from your account and cancelled. You will owe the remaining balance to the university.

**Notice:** All financial aid requirements must be met in order for aid to be applied to your account.

**Notice:** Your outstanding balance must be within $1500 in order for a registration hold to be lifted.

I intend to register for the winter 2020 semester. I understand that my fall and winter loan(s) will be cancelled if I do not register at least half-time (6 credits undergrad, 4 credits grad, 5 credits JD) for the winter semester.
