**WINTER 2020:** Monday, Feb 25, 2020,  
**SPRING/SUMMER 2019:** Monday, July 1, 2020

Appeals must be reviewed before the end of the semester for which they are submitted. Financial aid cannot be reinstated retroactively for a prior semester.

**Satisfactory Academic Progress Standards**

The Satisfactory Academic Progress Policy is available on the financial aid website: [wayne.edu/financial-aid](wayne.edu/financial-aid).

Student academic progress is reviewed at the end of each semester. SAP review components are (1) cumulative grade point average (GPA), (2) courses completion percent (pace) and maximum time frame. Pace and the maximum time frame are measured in credit hours only whether enrollment is full- or part-time.

**Cumulative Grade Point Average (GPA):** 2.0 for undergraduate and PharmD programs; 3.0 for most graduate programs

**Pace of Progression (completion percentage):** At least 67% of all credit hours attempted must have successfully passing grades. The pace of progress is calculated by dividing cumulative hours that you successfully complete by the cumulative hours you have attempted.

**Maximum Time Frame:** Undergraduate and graduate students must complete a degree or certificate program within 150% of the average published program length measured in credit hours. Example:

If completing the degree requires 120 credit hours, the attempted credit hours must be 180 or less (120 credits x 150% = 180 credits)

In reviewing SAP appeals OSFA will consider the program time limitations as published in the [bulletin](wayne.edu/financial-aid). Appeals will not be considered beyond these limitations without documentation of an approved extension.

**Appeal Decision Notification**

The decision concerning your appeal will be sent to your WSU email address and posted in [Academica](wayne.edu/financial-aid).
