If you received combat pay, you must indicate the dollar amount received in 2017 that was included in your adjusted gross income (AGI) –

Enter only the portion that was included in your adjusted gross income.

This should be zero for enlisted persons and warrant officers (including commissioned warrant officers) because their combat pay is entirely non-taxable. For commissioned officers generally, combat pay in excess of the highest enlisted person’s pay (plus imminent danger/hostile fire pay) is taxable.

See IRS Publication 3, Armed Forces’ Tax Guide, for more information.

If we have questions about any of the above, additional documentation may be requested.

REQUIRED SIGNATURES: I/we certify that all information reported on this form is complete and correct.

I/we understand that changes in my FAFSA financial information based on the information provided may result in a change in financial aid eligibility.
