Meeting financial aid satisfactory academic progress (SAP) standards is a requirement for financial aid eligibility. If you do not meet SAP standards, you may submit an appeal requesting financial aid reinstatement consideration.

**HOW TO FILE AN APPEAL**

   Note: Use the STARS GPA Calculator to answer the questions on the appeal form.

2. Attach a one-page Explanatory Statement and supporting documentation.

3. Attach a copy of your completed Degree Works degree worksheet and academic plan as required.
   Note: Graduate students who are violating timeframe need to submit their Plan of Work filed with their department.

   **If this is not your first appeal you must also:**

4. Complete and submit the Student Improvement Plan.

Include your Name and Student ID number on all documents.

Note: If your explanatory statement will disclose an incident of sexual violence or sexual harassment, access the WSU Office of the General Counsel Title IX website for information about WSU’s federal law mandated obligation to report the information to the University’s Title IX Coordinator for follow-up and possible investigation. If you would like to speak confidentially to a counselor for support, please contact WSU Counseling and Psychological Services at (313) 577-3398 or by visiting Suite 552 in the Student Center Building.

**DEADLINES**

Appeals must be reviewed before the end of the semester for which they are submitted. Financial aid cannot be reinstated retroactively for a prior semester.

**Satisfactory Academic Progress Standards**

The Satisfactory Academic Progress Policy is available on the financial aid website: wayne.edu/financial-aid.

Student academic progress is reviewed at the end of each semester. SAP review components are (1) cumulative grade point average (GPA), (2) courses completion percent (pace) and maximum time frame. Pace and the maximum time frame are measured in credit hours only whether enrollment is full- or part-time.

**Cumulative Grade Point Average (GPA):** 2.0 for undergraduate and PharmD programs; 3.0 for most graduate programs.

**Pace of Progression (completion percentage):** At least 67% of all credit hours attempted must have successfully passing grades. The pace of progress is calculated by dividing cumulative hours that you successfully complete by the cumulative hours you have attempted.

**Maximum Time Frame:** Undergraduate and graduate students must complete a degree or certificate program within 150% of the average published program length measured in credit hours. Example: If completing the degree requires 120 credit hours, the attempted credit hours must be 180 or less (120 credits x 150% = 180 credits).

In reviewing SAP appeals OSFA will consider the program time limitations as published in the bulletin. Appeals will not be considered beyond these limitations without documentation of an approved extension.

**Appeal Decision Notification**

The decision concerning your appeal will be sent to your WSU email address and posted in Academica.
