You are being asked to complete this form because the **parent contributor** information on your 2024-25 FAFSA has changed. Federal regulations require us to verify this updated correction. As a reminder, the following regulations state, that if your parents are divorced, separated, or never married, and don't live together:

1. The parent contributor on the FAFSA is the parent **who provided the greater portion of the student's financial support** during the 12 months immediately prior to filing the FAFSA.
2. If neither parent provided support in the last 12 months immediately prior to filing the FAFSA, **the parent contributor on the FAFSA is the parent with the greater amount of income and assets.**
3. If both parents claim an equal amount of support, then **the parent contributor on the FAFSA is the parent with the greater amount of income and assets.**
