Proof of High School Completion

Proof that you completed high school is required to confirm your eligibility for federal financial aid and/or State of Michigan scholarships and grants. Please provide the required document listed below within 14 business days.

To confirm eligibility for State and Federal financial aid, provide ONE of the following:

**Official high school transcripts, homeschool transcripts and GED certificates must be sent to -**

**Official High School Transcript**

Contact your high school or school district office to request an **official transcript** be sent directly to the WSU Office of Undergraduate Admissions.

**Homeschool Completion**

Homeschooled Michigan students and those homeschooled in states that do not have the requirement for a secondary completion credential should **submit a transcript or the equivalent, which lists the secondary school courses the student completed and documents the successful completion of a secondary school education in a homeschool setting, signed by your parent or guardian.**

If you are from another state and state law requires a homeschooled student to obtain a secondary school completion **credential for homeschool** other than a high school diploma or its recognized equivalent, submit a copy of that credential to the WSU Office of Undergraduate Admissions.

**GED Certificate**

Request a state certificate or transcript for the State-authorized examination (GED test, HiSET, TASC, or other State-authorized examination) that the State recognizes as the equivalent of a high school diploma.

If you passed the examination in Michigan, follow the instructions on the [State of Michigan website](https://www.michigan.gov/migranteducation). The following documents may be accepted for federal financial aid verification but will not fulfill the requirement for State of Michigan scholarships/grants:

**High School Diploma**

Submit a copy of your official high school diploma. If you completed secondary education in a foreign country, you must submit a copy of the "secondary school leaving certificate" or other similar document. Include your student ID on all documents.

**College Transfer Credit**

Submit either an academic transcript that indicates that you successfully completed at least a two-year program that is acceptable for full credit toward a bachelor’s degree or an official copy of your transcript from another college or community college that shows your high school completion status upon your admission to the institution. **Submit official college transcripts to Wayne State University, Transfer Credit Evaluation, P.O. Box 02759, Detroit, MI 48202-0759.**
