Learning Communities

Amy N’s Updates

We need your help!
The Learning Community Program is looking to put together a team of experienced peer mentors to help plan August Peer Mentor Training! This team of rock star peer mentors will help shape our two-day training on August 22nd and 23rd. All summer long, we will work with this team to update the training agenda and make it the best possible experience for all of our peer mentors. Peer mentors on this planning committee will also have the opportunity to present or facilitate activities during training! Peer Mentors on the planning committee will earn extra hours towards IMTPC Certification. Please join us! Take your leadership to the next level! If you are interested in participating on this committee of peer mentors, please email: learningcommunities@wayne.edu.

TIPS FOR LC SUCCESS

- Support your students’ growth mindset
- Congratulate PMs and students on a job well done!
- Acknowledge students who work hard and show them appreciation
Announcements

AAC&U Workshop
Amy Cooper and a team of Learning Community coordinators will be attending the Association of American Colleges and University’s (AACU) HIP & Student Success Workshop in June. This workshop will help the coordinators learn more about High Impact Practices, student success, and how we can increase HIP impact in all our LCs. We want to wish the coordinators the best as they travel to Villanova University for this workshop.

LC Year End Assessment Reminder
LC Year End Assessment is due May 15th. Coordinators, Peer Mentors, and LC Students all have surveys to complete (links below). LC Coordinators should be encouraging their peer mentors and students to participate. Coordinators also must complete a short report on their individual LC’s progress (please check your emails).
