

# Learning Communities Monthly

## Thank You from the LC Program

Our first LC Showcase was a tremendous success. I was so impressed and honored to display some of the amazing things happening in our Learning Communities! Special thanks to those LC Coordinators and Peer Mentors who provided presentations, panels, skits, and posters highlighting your LC awesome-ness!

It was such a joy to be able to distribute Peer Mentor IPTPC certificates, and to honor the LC of the Year, the PM of the Year, the LC Coordinator of the year, and the Over the Shamoun award recipient at the Showcase. Thank you to each of you for your outstanding work and dedication to the LC Program.

I really appreciate every one of you, and all your hard work and effort this past year in support of your LC and the LC Program. I know it has been challenging along the way, and some LCs had more success than others. But please remember, the pandemic threw us a few curveballs and many unexpected changes. The Learning Community Program is here for you, and we are here for each other; we are all on a track of continuous improvement.

We are looking forward to a summer of planning and prepping for fall 2022; don't forget to complete your LC assessment surveys and be ready to join us for PM training on August 22-23, 2022.

**Happy Summer!**
