GET THE ULTIMATE COLLEGE EXPERIENCE

More and more Wayne State students are discovering how living on campus can help them achieve personal and academic success. With less than a five-minute walk to classes, libraries, a 24-hour computer lab, the Student Center, and the Mort Harris Recreation and Fitness Center, living on campus offers a convenience that you can’t find anywhere else. Sign up today and be a part of this growing campus community where residents are establishing new friendships, exploring the city and building new traditions.

Student Center Building 5221 Gullen Mall, Detroit, MI 48202 | 313-577-2116 | Visit housing.wayne.edu to sign up today!
Welcome to Wayne State University and thank you for joining us at New Student Orientation.

Orientation is when you’ll learn how to be a successful Wayne State student. At Wayne State, we have high expectations of you — in and outside of the classroom. Your professors and peers will challenge you to ask questions, gain insight from others whose backgrounds and life experiences may differ from your own, and discover everything your education can offer you. Your academic advisor will support your goals, make sure you stay on track for graduation, and give you an opportunity to reflect on your own learning and achievement.

As a premier urban research university, WSU offers an abundance of opportunity and all the support you’ll need to take advantage of this opportunity. We have academic, health, wellness, multicultural and social support all around campus — we are here to help you. To start you off, we have created this guide with contact information so you can proactively reach out for assistance. While there is much information in this Green & Gold Guide, you can find complete details online by using the web addresses listed throughout the book.

We hope your orientation experience makes you feel confident about preparing for your future at Wayne State University and beyond. Ask questions, seek advice and get to know one another. We look forward to helping you graduate.

Sincerely,

Monica Brockmeyer
Associate Provost for Student Success

AUGUST 28-29, 2017

New Student ORIENTATION
PART TWO – O2

We have a full schedule of special activities planned to connect you with student leaders and members of the Wayne State community.

Learn more about joining student organizations at FestiFall, and invite your family members to attend New Student Convocation.

First-year students are required to attend Orientation Part Two.

wayne.edu/orientation/two

Watch your WSU email for further details this summer!
Don’t procrastinate. Prioritize and put your most important work first. Time management is extremely important in college — you have to plan your day by the hour to make sure that you are using your time wisely.”
Who is my advisor?

Students can make an appointment through Advising Works by visiting advisingworks.wayne.edu.

College of Liberal Arts and Sciences: Students who enter the university with a declared CLAS major will meet with an academic advisor for their specific major. You can find your advisor online at clas.wayne.edu/advisor.

Pre-Medicine and Health Science Center: Provides prerequisite advising, academic support and professional development strategies for students interested in pre-med, pre-dental, pre-nursing, and pre-pharmacy and health sciences professional programs. Visit wayne.edu/advising/pre-health to schedule an appointment with an academic advisor at 1600 David Adamany Undergraduate Library. See facebook.com/WSUPreHealth or call 313-577-2680 for more information.

CLAS Exploratory Tracks: Undergraduate students who are not ready to choose a major upon admission may select an Exploratory Track that best fits their interests. Academic advisors work with these students in a purposeful and programmatic way to help them explore the majors that WSU has to offer while making progress in general education and college requirements (limited to 30 credit hours, upon which time a major must be declared). You will meet with your academic advisor at 1600 David Adamany Undergraduate Library. See advising.wayne.edu or call 313-577-2680 for more information.

Each department in the College of Fine, Performing and Communication Arts has its own academic advisors. Students should go to cfapca.wayne.edu to find the right academic advisor for their major.

Students pursuing a degree in the College of Engineering should contact the advisor for their specific program. Visit engineering.wayne.edu and click on Current Students for a list of academic advisors and faculty members.

College of Education academic advisors have open advising appointments every Tuesday (excluding holidays) from 9 a.m.-4 p.m. in Education Building Room 489, or you can call Student Services (313-577-1601) to make an appointment. Visit coe.wayne.edu.

Students majoring in accounting, finance, global supply chain management, information systems management, management or marketing receive advising from the Mike Ilitch School of Business. Walk-in advising is held every Tuesday (excluding holidays) from 9 a.m.-6 p.m. in Prentis Building Room 200. Call Student Services (313-577-4510) in the Mike Ilitch School of Business to schedule an appointment. Visit ilitchbusiness.wayne.edu.

Know what we mean

Common academic advising terms

Academica: An internet gateway that provides single sign-on and secure access to WSU computer systems (such as WSU email and calendars, Blackboard and OneCard) as well as university, library and computing resources, and financial aid.

Academic advisor: Professional staff or faculty members who help students determine their requirements for graduation, select appropriate courses and connect to campus resources.

Academic plan: A semester-by-semester, four-year plan of the courses a student needs to successfully complete their degree. Because some classes must be taken in a particular order, this outline keeps students on track and takes the uncertainty out of registration. Meet with an academic advisor to create an academic plan in Degree Works that is specific to your program, and see the Forms section in the back of this guide for an example.

Blackboard: This online resource connects you to your professors and classmates. You’ll find your syllabus, textbook requirements and homework assignments here. Log on to blackboard.wayne.edu with your AccessID and password, then scroll to the bottom of the page to take a free, self-paced online tutorial. See page 14 for more information.

Bulletin: Intended to provide academic information and course descriptions, it specifies the requirements that must be met and the courses that must be taken to complete each degree: bulletins.wayne.edu.

Corequisite (coreq): A course that is paired with another course and must be taken the same semester (such as a lecture/lab combination).

Declaring or changing your major: Students in the College of Liberal Arts and Sciences can use the “Declare/Change Major” link in Academica under Student Resources. Follow the prompts, use the pull-down menu to select your major and click Done when finished. For students interested in declaring or changing their major in Education; Business; Engineering; or Fine, Performing and Communication Arts, please see an advisor in the department in which your desired major is located.

General education requirements: Classes in addition to major professional courses that are needed to ensure fundamental skills and a well-rounded education. Some majors require choosing from a preselected list to fulfill these requirements.

Learning Community: A team of students — led by an upperclassman peer mentor and faculty member — who work together toward course or program goals, supporting each other in study groups and other activities outside the classroom. There is no additional charge beyond standard tuition. See page 16 and lc.wayne.edu for details.

Prerequisite (prereq): A course or qualifying exam that is required before enrolling in a desired class.
Marks

An I (Incomplete) is given to an undergraduate student when they have not completed all of the coursework as planned for the term and when there is, in the judgment of the instructor, a reasonable probability that the student will complete the course successfully without again attending regular class sessions. The student should be passing at the time the grade of I is given. A written contract specifying the work to be completed should be signed by the student and instructor. Responsibility for completing all coursework rests with the student.

The I will be changed to a letter grade when the student completes the coursework as arranged with the instructor or, if the instructor has left the university, with the chairperson of the department or other instructional unit. Work must be completed within one calendar year. There are no extensions.

An I will not be awarded if, in the instructor’s judgment, it is necessary for the student to attend subsequent sessions of the class. If regular attendance is necessary to complete coursework, the student must register for the class for the semester in which attendance is planned. The student will be assessed tuition and applicable fees for the second registration. If the student decides to register for the course subsequent to the assignment of an I, then the mark of I for the original election will be changed to a WP (Withdrawal/Passing) and the student will be responsible for tuition and applicable fees for the second registration. Students are responsible for notifying the department offering the course that they have reregistered for the course so that the I is not changed to an F (Failure).

Any unchanged I will, within one calendar year from the time it was received, be changed to an F.

WF (Official Withdrawal Failing) is given when the student withdraws from the course in accordance with the university policy and the student had earned a failing grade as of the date the withdrawal is approved.

WN (Withdrawal Non-Attendance) is given to students who did not attend any classes and/or had no graded work by the withdrawal date.

WP (Official Withdrawal Passing) is given when the student drops the course in accordance with the university policy and the student had earned a passing grade as of the date the withdrawal is approved.

Y (Deferred) is given when the student is up to date with the work of a course planned to continue beyond the semester (i.e., essay, thesis, dissertation and certain courses taken in sequence).

Z (Audit) is given when the student has formally registered for the course for audit. The student's academic dean or designee must provide written audit authorization to the student at the time of registration.

Grade and credit policies:

Undergraduate student classification
- Freshman: 0-28.99 credits
- Sophomore: 29-55.99 credits
- Junior: 56-87.99 credits
- Senior: 88 or more credits

Undergraduate grading system

</tbody>
</table>

Grade points are calculated per credit. P, N, S, U, M, ANC, BNC, CNC, PNC, NNC, SNC and MNC grades are not reflected in the grade point average. Undergraduate courses completed with a P may count toward a degree. S, M or U performance in non-degree courses and certain designated courses such as fieldwork, practicums and internships do not affect grade point averages.
**Grade point average**

The grade point average is the numerical index of your scholastic average. Points are assigned to each letter grade for each hour of credit. For example, a grade of A in a class carrying three credits would be assigned 12 honor points (3x4) and a grade of a C in a class carrying 4 credits would be assigned eight honor points (4x2).

To compute your grade point average, multiply the honor points assigned to each grade by the number of credits for each course; then add the results and divide by the total number of credits. In the example below, the grade point average would be 20 (honor points) divided by 7 (credits attempted) = 2.85, nominally a B- average.

<table>
<thead>
<tr>
<th>Course</th>
<th>Grade</th>
<th>Honor points</th>
<th>Credits</th>
<th>Total</th>
</tr>
</thead>
<tbody>
<tr>
<td>HIS 1040</td>
<td>A</td>
<td>4</td>
<td>x 3</td>
<td>12</td>
</tr>
<tr>
<td>BIO 1010</td>
<td>C</td>
<td>2</td>
<td>x 4</td>
<td>8</td>
</tr>
</tbody>
</table>

\[
\frac{8 + 12 = 20}{3 + 4 = 7} = \frac{20}{7} = 2.85
\]

You also can use the GPA calculator at [reg.wayne.edu/students/gpa.php](http://reg.wayne.edu/students/gpa.php).

**Student Code of Conduct**

The primary purpose of the Student Code of Conduct is to promote campus civility and academic integrity and to provide the framework for the imposition of discipline in the university setting. The code gives general notice of prohibited conduct and of the sanctions to be imposed if such conduct occurs. The code specifies the rights of the student and the rights of other parties to the procedure.

The code is designed to ensure that students who are alleged to have engaged in unacceptable behavior receive fair and impartial consideration. It is important that each of us become familiar with the Student Code of Conduct and share the responsibility for maintaining a reputable university committed to academic excellence.

For more information and to read the Student Code of Conduct, visit the Dean of Students Office website at [doso.wayne.edu](http://doso.wayne.edu).

**Academic misconduct**

Academic misconduct is any activity that tends to compromise the academic integrity of the institution or undermine the education process. Examples of academic misconduct include:

- **Plagiarism**: To take and use another’s words or ideas as your own without appropriate referencing or citation.

- **Cheating**: Intentionally using or attempting to use or intentionally providing unauthorized materials, information or assistance in any academic exercise. This includes copying from another student’s test paper, allowing another student to copy from your test, using unauthorized material during an exam and submitting a term paper for a current class that has been submitted in a past class without appropriate permission.

- **Fabrication**: Intentional or unauthorized falsification or invention of any information or citation, such as knowingly attributing citations to the wrong source or listing a fake reference in the paper or bibliography.

- **Other**: Selling, buying or stealing all or part of a test or term paper, unauthorized use of resources, enlisting in the assistance of a substitute when taking exams, destroying another's work, threatening or exploiting students or instructors, or any other violation of course rules as contained in the course syllabus or other written information.

**Sanctions if a student is found responsible for academic misconduct:**

- **Disciplinary reprimand**: A formal notification to the student that their conduct has been unacceptable and a warning that another offense may result in a more serious sanction.

- **Disciplinary probation**: A disciplinary status that does not interfere with the student’s rights to enroll and attend classes but that includes specified requirements or restrictions.

- **Suspension**: A denial of privilege to continue as a student anywhere in the university and denial of all student rights and privileges for a specified period of time.

- **Expulsion**: A permanent denial of the privilege of continuing or enrolling as a student anywhere within the university and permanent denial of all student rights and privileges.

- **Transcript disciplinary record**: An entry onto the student’s transcript permanently or for a specified period of time, indicating the violation and sanction imposed.

- **Other sanctions**: Other sanctions may be imposed instead of or in addition to those specified above.
Welcome, Warrior!
You’re just getting started at Wayne State, but you’re already part of the alumni family!

The Wayne State Alumni Association offers special opportunities for current students:

- Career Series programs and webinars
- Volunteering opportunities
- Networking events
- Scholarships
- Fundraising support for Student Organizations through WARRIORFUNDER

alumni.wayne.edu
Undergraduate programs

Whether you walk onto campus knowing exactly where you want to go or you’re searching for your passion, Wayne State stands ready with hundreds of undergraduate program options. For more details, visit wayne.edu/programs.

- Biochemistry and Chemical Biology
- Biological Sciences

For undecided students
Many students aren’t ready to pick a major right away. If you’re undecided, we have a program to help first-year freshmen test the waters. These exploratory tracks are limited to 30 credit hours or less; after completion you must declare a major. Your advisor will be there to help every step of the way.

- Communication Arts
- Fine Arts
- Humanities
- Life Sciences
- Music
- Performing Arts
- Physical Sciences/Mathematics
- Social Sciences

Pre-Professional Curricula
If your ultimate career goal requires much more than an undergraduate degree, Wayne State can help you get there. These pre-professional programs are not majors, but are designed to put you in prime position for advanced schooling.

- Pre-Dentistry
- Pre-Law
- Pre-Medicine
- Pre-Veterinary Medicine

Honors College
honors.wayne.edu
The Irvin D. Reid Honors College is for motivated students who thrive on academic challenges. Honors students can pursue any major. They may also apply to participate in a Start program, which sets the course directly for graduate school at Wayne State.

- B Start (Business)
- HealthPro Start-Pharmacy
- Wayne Med-Direct

Graduate School
wayne.edu/gradschool
Wayne State is well known for its graduate school. Here, you can earn certificates as well as master’s, doctoral and professional degrees in hundreds of fields, including law, medicine, library and information science, nursing, social work, pharmacy, physical therapy, business, and more.

---

1 Students cannot apply directly to this program. Additional application process required.
2 Pre-professional curricula available.
3 Not a bachelor’s degree program.
Earning a degree is no easy task, and the Academic Success Center (ASC) is here to help you conquer your coursework with confidence. With individualized study skills counseling, specialized workshops, math literacy services, financial literacy coaching, tutoring and much more, regular visits to the ASC can help you achieve your personal best. For details, visit success.wayne.edu.

Peer-Assisted Learning

Through Supplemental Instruction and tutoring, peer-assisted learning utilizes the knowledge and experience of your fellow students to help you succeed.

- **Supplemental Instruction (SI)** — SI is a semester-long series of collaborative study sessions led by peer leaders who have a strong understanding of the key topics and concepts of the courses they support.
- **Tutoring** — The ASC offers free tutorial services in a wide range of courses every semester. Tutoring is available by appointment and on a walk-in basis during select hours.
- **Course Study Groups** — Study with your peers and take turns leading the group in a small, structured environment.

Math Literacy Services

Improve your math comprehension and decrease math-induced anxiety by taking advantage of the following:

- Individualized math support
- Course-specific math discussion sessions
- Techniques for note-taking in math courses
- Strategies to maximize test scores

Study Skills Counseling

The ASC offers individual sessions to help you improve your study skills. All sessions are personalized, confidential and designed with your goals in mind. Request to meet with a learning specialist to discover how you can:

- Improve your test-taking abilities and preparation strategies
- Navigate your textbooks and master course material
- Improve your concentration in lectures and during study time
- Manage and prevent academic stress

Financial Literacy Services

Free financial literacy services are available to assist you in developing personal financial goals that align with your academic goals.

- Personal finance workshops
- One-on-one financial coaching
- Learning Community focused on frugal living

Student Success Workshop Series

Sharpen your skills by attending our free workshops. You’ll leave these interactive group sessions armed with tips and strategies for ongoing academic success.
Selecting classes for registration

It is important to meet with your academic advisor to carefully go over your options before the priority registration period each semester. Among the things to consider when choosing your courses:

**How early you need to leave home.** If you are commuting, figure out how long it will take to drive to campus, find a parking spot and walk to your classroom. Keep in mind that depending on where you are coming from and at what time, you could be facing rush hour traffic. And don’t forget that bad weather can slow you down.

**Are you an early bird or night owl?** Think about when you learn best and look for classes that meet around those times.

**Give yourself room to breathe.** Be sure to leave time to get from one class to the next as well as time to have lunch or review your notes. If every day is hectic, you could burn out quickly.

**Do you meet the requirements?** Check to make sure you don’t need a prerequisite before taking the class — you may not be able to register for it, or you may get to class and find yourself already behind on the first day.

**Have a backup plan.** When deciding which classes to take, have a few backups mapped out in case something fills before you can claim your seat.

**Consider other time commitments.** Think about family and work obligations to avoid conflicts that would mean missed classes or coursework.

How many credits should you take?

Generally, most students take 12-16 credits. The minimum to be a full-time student is 12, but we recommend 15 to keep pace with your degree program. When deciding what’s right for you, keep in mind that for every one hour in class, you should plan to spend at least two hours outside of class doing homework and studying.

- 12 credits = 12 hours in class
  - 24 hours studying
  - 36 hours/week as a full-time student
- 16 credits = 16 hours in class
  - 32 hours studying
  - 48 hours/week as a full-time student

Remember, you need a minimum of 120 credits to graduate, but there are only 168 hours in each week — and some of those should be spent sleeping!

Know what we mean
Common registration terms

**Class Schedule:** Use classschedule.wayne.edu for registration and to research classes, compose wish lists and get help.

**Closed class:** During registration, when a class is available, it will have an open status. When a class is full or otherwise not available for registration, it will have a closed status. To inquire about entering a closed class, contact the department offering that class.

**CRN (Course Reference Number):** A unique number assigned to each class at the university. You will use this when registering for your classes.

**Degree Works:** A self-service tool within Academica that allows you to evaluate your progress toward completion of your degree program. Working with your academic advisor, you can build an academic plan to guide you toward graduation. Visit wayne.edu/degeworks.

**Dropping:** Students must drop classes in Academica. For classes that run the full length of the term, drops in the first and second week will receive full tuition cancellation. Courses dropped in the third and fourth week will not receive tuition cancellation, but will not appear on the academic record. For courses running less than a full term, consult the Class Schedule for drop dates. There may be financial aid and academic consequences at this point. Visit reg.wayne.edu.

**SMART Check:** In order to prevent students from making quick decisions that could negatively affect their financial aid and graduation plans, Wayne State requires that anyone wishing to withdraw must first complete a SMART Check, which helps students review why they might want to drop, and outlines the financial and academic consequences — as well as alternatives such as tutoring. This mandatory pre-withdrawal process may be completed online or on a walk-in basis in the Welcome Center.

**Supplemental Instruction (SI):** A free series of group study lessons led by undergraduates who have successfully completed that course. Find details at success.wayne.edu.

**Wish list:** A feature in Class Schedule that allows you to find classes and save their names for quick reference during registration, like a shopping cart. You must complete your registration by logging into Academica after you create your wish list.

**Withdrawing:** For courses running the full term, beginning with the fifth week of class, students are no longer allowed to drop but must withdraw from class. Select the “Withdraw from a Class” option in the Academica Student Resources menu. There may be financial aid and academic consequences at this point. For details, visit reg.wayne.edu.
How to register for classes

If you are still deciding on your major or program, focus on your general education and elective courses. Use the calendar on page 2 to determine when registration for the next semester will begin. Meet with your academic advisor in advance to review all of your options and avoid the rush.

As an example, here is how you would register for ENG 1020 for fall 2017:

**Step 1:** Go to the online Schedule of Classes: classschedule.wayne.edu. Be sure the semester is set to Fall 2017.

**Step 2:** Click on Courses/Subjects > English > ENG 1020. (You also may type ENG 1020 in the Quick Search box.) Uncheck Do not search classes that are full box to see all of the sections being offered.

**Step 3:** Select the section of your choice by clicking the Add to Wish List button. Note the Course Reference Number (CRN).

**Step 4:** Once you have all your classes selected in the wish list, log in with your AccessID and password to register. Print or email your schedule.
How to make adjustments to your schedule

Step 1: To make an adjustment to your schedule, sign in through Academica and select the Student Resources menu. In the left-hand column under Registration, select Register/Add/Drop.

Step 2: On the next page, select Register – Add/Drop Classes.

Step 3: Select the appropriate term and click on the Submit button.

Step 4a: From this screen, enter the CRN to add a class, or select Drop from the action bar to drop a class.

Step 4b: From the same screen, you also can select the Re-add option from the action bar to add a class previously dropped.

Step 5: Click on Submit Changes — the page will refresh and you will see changes in the status area.

Questions?
Contact the Office of the Registrar: registration@wayne.edu
Blackboard basics

As a Wayne State student, there’s a good chance you’ll be required to use Blackboard. But just how you use this helpful online resource varies depending on the course and the instructor. Blackboard allows you to keep up to date with coursework, stay on top of your grades, collaborate with other classmates and much more.

If you register for an online class, it will be conducted almost entirely through Blackboard. Regardless of the type of class, you’re able to submit assignments, participate in discussion board forums on various course-related topics, and download required lectures and readings — all depending on how your instructor chooses to use the site. You can even create and manage your own blog.

Familiarize yourself with this tool by logging on to blackboard.wayne.edu and choosing one of two training options:

1. Enroll in the free, self-paced online course, Blackboard Basics for Students.

2. Refer to the Blackboard Guide for Students with quick questions about specific sections and tools.

DON’T BREAK THE BANK!

Wayne State students can download a full copy of Microsoft Office for free. Find out how at computing.wayne.edu/office4students.
General ed classes: Do the write thing

While Wayne State students develop a great depth of knowledge in their chosen fields of study, the general education program ensures they are exposed to a broad range of topics providing a variety of ideas and approaches.

It is through general education classes that students improve their skills and are introduced to methods of inquiry, modes of thought, bodies of knowledge, and representative ideas drawn from many academic disciplines. What’s more, general education helps students connect what they learn in the classroom to real-world experiences.

Why should you take writing courses early in your college career?

Learning to write at the college level is an essential part of succeeding at WSU. Research shows that students who pass freshman composition are far more likely to continue into their sophomore year. Related research shows that students who do continue from freshman to sophomore year are very likely to complete their college education and graduate.

General education writing courses are important because they prepare you to succeed in later courses. You’ll write in many of your courses and writing varies across professions and communities. Writing in biology is quite different from writing in psychology, and both are different from writing in philosophy, business or law.

To prepare students for writing competency in different courses, careers and situations, WSU has three general education writing requirements: Basic Composition (BC), Intermediate Composition (IC) and Writing Intensive (WI) in the majors. Most students fulfill these requirements by taking a sequence of three or four of the following courses:

- **Basic Writing** – ENG 1010, a developmental course that prepares students to succeed in freshman writing and other courses
- **Introductory College Writing** – ENG 1020, WSU’s freshman composition course
- **Intermediate Writing** – ENG 3010, which prepares students to take required WI courses in their major
- **Major-specific WI course**

These courses work in sequence, each building on the last. ENG 1010 explains fundamental reading and writing concepts in depth and examines how these concepts are used in other writers’ work. ENG 1020 guides students in using the concepts in their own writing for audiences in and outside the university. In ENG 3010, students learn how the concepts operate in writing within specific disciplines and professions to prepare them for WI courses and beyond.

You can make important progress toward succeeding at WSU by taking and passing ENG 1010 or 1020 during your freshman year and ENG 3010 in your sophomore or junior year.

Talk to your academic advisor with questions about your specific plan.
Achieve success through Learning Communities

By participating in Wayne State Learning Communities (LC), students, faculty and peer mentors learn together, leading to the discovery of themselves and the world around them. Students take advantage of a small college learning environment with the resources of a major research university. The community provides academic support and social activities related to a specific course or major.

Wayne State’s LCs are linked to specific courses that range from business to the arts to education to the sciences. With nearly 10,000 students already participating in an LC, you have a tremendous network of support to guide you through your academic career.

Students and faculty members engage in group discussions and experiences centered on course material or subject matter. In your LC, you’ll:

• Share new experiences with people who have similar interests
• Engage with faculty and student mentors
• Explore your academic and career interests
• Enhance your learning skills

Within each LC, small groups of students with similar interests work closely together to study, problem-solve and socialize. Our research shows that, on average, first-year students who engage in Wayne State LCs achieve a 10 percent increase in their grades over those who choose not to participate.

Visit lc.wayne.edu to review the full list of more than 40 communities. Then contact the LC coordinator for the community that interests you. That person will have the specific information to get you started.

Call us at 313-577-2254 or write to learningcommunities@wayne.edu with questions.

Sample LCs

Mike Ilitch School of Business
Warriors Business Living LC
First-year business students have a unique opportunity to live on the same floor as other business peers. Current business students are peer mentors and serve as resident advisors on the floor. Students will attend study groups, networking events, academic and professional workshops, and engage in BA 2020 – the introductory business course.

College of Liberal Arts and Sciences
Department of English
Motown and Global LC: Writing Detroit
Create, study and experiment with different genres of creative writing and art. This LC offers a rare opportunity to work with nationally and internationally acclaimed visiting writers.

College of Liberal Arts and Sciences
Departments of Biology, Chemistry, Math and Physics
WIDER Science and Math LC
This community supports students in foundational science and math courses and offers community opportunities for active learning in small-group settings. Students who participate will develop study skills appropriate for each math or science subject and learn about resources and opportunities at WSU.

See the full list at lc.wayne.edu.
Study Abroad and Global Programs

Students who want to take their studies on the road and earn credit at the same time can do so through a variety of programs facilitated by the Study Abroad and Global Programs office.

International study opportunities can fulfill language and foreign culture requirements, and students older than 18 can participate in most programs at any point in college, including during freshman year.

Programs run from two weeks to a semester, and some last an entire academic year. Sharpen your language skills while staying in a 13th century monastery in Italy or at the Lebanese American University in Beirut, or follow the Magical Mystery Tour through London and Liverpool during spring break. Some programs focus on majors such as engineering or business, and various faculty members lead programs related to their academic discipline so students have the benefit of traveling with an expert as well as classmates.

Costs vary by program. Some types of federal student aid such as Pell Grants and Stafford loans, as well as private grants and scholarships can be used to cover Study Abroad costs, as long as the program is for credit. By planning ahead, students will find that Study Abroad can be a realistic option during their academic career.

In an increasingly global economy, Study Abroad experience makes a résumé stand out to potential employers. International coursework is great preparation for graduate school, so grab your passport and get ready!

Learn more at studyabroad.wayne.edu.
WE CAN HELP!
The C&IT Help Desk is your one-stop tech shop

Unplug and come in for computer repairs, tech accessories, software discounts and one-on-one tech support.

computing.wayne.edu/helpdesk | Suite 005 in SCB
313-577-HELP | helpdesk@wayne.edu
To get involved in research, first build a good rapport with your professors, especially those who teach courses that are applicable to your interests. Chances are, most will be involved in research in some way. Then, be as active as you can in the labs you do get into, and express interest in working on projects. Finally, you can apply for an Undergraduate Research Opportunities Program award for funding and the chance to present your research to others, both locally and abroad.”
Your Financial Aid link

Use your WSU AccessID

academica.wayne.edu

Visit our website at wayne.edu/financial-aid.
Financial aid checklist

- File the FAFSA every year at fafsa.gov.
- Check the status of your financial aid regularly on Academica.
- Check your WSU email account regularly for information from the Office of Student Financial Aid.
- Submit all documents and complete all requirements promptly to avoid delays.
- Create a budget (financial plan) for yourself before you borrow loans.
- Accept or decline your financial aid awards on Academica.
- First-time Federal Direct Loan borrowers must complete entrance loan counseling and a Master Promissory Note.
- Parents who would like to apply for a Parent PLUS Loan must complete the Parent PLUS Loan application and a Parent PLUS Loan Master Promissory Note online at studentloans.gov.

Do you have a plan?

A good academic plan includes calculating how much financial aid may be available to you. Federal aid and many WSU scholarships and grants have annual and lifetime limits.

**Federal Pell Grant limits:** If you are receiving the Federal Pell Grant, keep in mind that it is limited to 12 semesters of awards for full-time enrollment.

**Federal loan limits:** If you decide to borrow student loans to help pay for your degree, remember that loans have annual and lifetime limits. Once you reach these limits, you will no longer be able to borrow. There also is a maximum period to receive Federal Direct Subsidized Loans. In general, you may not receive subsidized loans for more than 150 percent of the published length of your program. If you lose eligibility for subsidized loans, the federal interest subsidy on the loans end and you become responsible for paying the interest. Detailed information is available on the Federal Student Aid website: studentloans.gov/myDirectLoan/directSubsidizedLoanTimeLimitation.action.

If you want to take advantage of the reduced summer tuition rate and want to use loan funds to pay these costs, don’t borrow your maximum loans in the fall and winter.

**WSU grant limits:** WSU Promise Grant for freshmen is renewable for up to four years, with the option to apply for a fifth year, provided you are on track to graduate. WSU Promise Grant for transfer students is renewable for up to four semesters within two consecutive years beginning with the term of admission. Promise Grant recipients are required to pass 24 credits each academic year, maintain full-time enrollment and maintain Satisfactory Academic Progress.

WSU Access Award for freshmen is renewable for up to four years, with the option to apply for a fifth year, provided you are on track to graduate. Recipients are required to pass 24 credits each academic year, maintain full-time enrollment and maintain Satisfactory Academic Progress. You must also meet with your academic advisor each semester to remain on track for graduation.

**WSU scholarship limits:** Most scholarships will be awarded only for four years to new freshmen and only for two years to new transfer students. Merit scholarship recipients are required to pass 30 credits each academic year.

Keeping your award

Maintaining financial aid eligibility is an ongoing process. Not only must you reapply for financial aid every year but WSU is required to continually monitor your eligibility.

- You must **maintain at least half-time enrollment** to remain eligible for the majority of financial aid funds.
- You must **maintain Satisfactory Academic Progress** toward your degree or certificate.
- You must **complete courses**. Withdrawing from one class or all classes can negatively affect your ability to retain the funds awarded and/or disbursed to you.
- **Your participation** in each course must be confirmed by each instructor. Your aid may be reduced or cancelled if your participation is not confirmed.
Financial aid in Academica

In Academica, you can review your outstanding requirements, accept awards, check your status and more.

Your responsibilities

- Review Academica regularly.
- Read all materials sent to you from the Office of Student Financial Aid.
- Read and keep copies of all forms that you sign and submit.
- File and renew an annual FAFSA if you wish to be considered for aid.
- Read the academic and registration calendar on page 2 of this guide.
- Pay your Student Accounts Receivable bill regardless of your financial aid status.

Reviewing your outstanding requirements

1. Click on My Financial Aid Requirements

2. Select the 2017-2018 Award Year

3. Complete any Unsatisfied Requirements
Money-management suggestions

- Separate your wants from your needs.
- Make a budget (financial plan) and stick to it.
- Review the resources at wayne.edu/financial-aid for external scholarship opportunities.
- Pay bills on time to avoid late fees.
- Utilize student discounts and on-campus resources such as the fitness center, libraries and free events.
- Consider a roommate or living at home with parents.
- Eat in the cafeteria if you purchase a meal plan.
- Make shopping lists and stick to them to avoid impulse spending.
- Be a responsible shopper; seek out sales and outlets as well as thrift stores.
- Cut out costly habits such as cigarettes or expensive coffee drinks.
- Avoid credit cards.
- File the Free Application for Federal Student Aid (FAFSA) at fasfa.gov annually.
- Only take advantage of low interest rate student loans if absolutely necessary.

Reviewing and accepting your awards

Financial aid awards must be accepted or declined on Academica.

- You must accept or decline any work-study awards within 30 days or the award offer may be withdrawn. You must accept before the term ends.
- Federal Direct and PLUS Loans cannot be processed after you cease to be enrolled at least half-time for the semester. Loan counseling and promissory notes must be completed.
- A PLUS Loan will not be on your award until after your parent is approved for the loan. Your parent must complete an application and a promissory note online at studentloans.gov.

1. Click on Accept my Financial Aid Awards

2. Select the 2017-2018 Award Year

3. Accept all or a partial award amount

If you accept loans, you must complete loan counseling and promissory notes. After acceptance, review your new requirements on Academica. Complete promissory notes online.
Loan requirements
After you accept a loan award, you may have new requirements to complete:

• Entrance loan counseling is required for all first-time borrowers at WSU.
• Loan promissory notes are required for all loans.

Federal loan entrance counseling
Entrance loan counseling is required for first-time federal loan borrowers and must be completed before you can receive loan funds.
Federal Direct Subsidized and Unsubsidized Loan entrance counseling may be completed online at studentloans.gov.
After your loan counseling session has been completed, WSU will receive notification within a few days. Check Academica for information about possible financial aid requirements.

Federal loan promissory notes
Promissory notes must be signed before a loan can be disbursed.

• Federal Direct Subsidized and Unsubsidized Loans: studentloans.gov. This promissory note only needs to be completed once every 10 years.
• Federal Parent PLUS Loan: studentloans.gov. This promissory note only needs to be completed once every 10 years, unless an endorser is required.

Parent PLUS Loan applications
Parents who would like to apply for a Parent PLUS Loan must complete the Parent PLUS Loan application and a Parent PLUS Loan Master Promissory Note online at studentloans.gov.

Award revisions
Your award may be revised if:

• You receive additional scholarships and/or other financial aid resources.
• Your FAFSA information changes due to the verification process.
• Your cost of attendance changes.
• Your participation in class is not confirmed by your instructor.
If a revision is made, you will receive an email advising you to review Academica. Contact us to request a revision, or complete the loan revision request form available at wayne.edu/financial-aid.

Avoid the burden of high loan debt
• Borrowing can be costly. We recommend you consider borrowing only when you have exhausted all other options.
• Only borrow what you need. Make a budget for yourself to keep your debt within manageable limits.
• Keep in mind that a high loan payment after graduation can limit your options.
• If you must borrow, file the FAFSA to take advantage of low interest rate loans.
• Make the interest payments on your student loans while enrolled. Otherwise, the interest will be added to your principal balance at repayment and you will be paying interest on top of interest.
• Avoid costly credit cards.

NOTE TO PARENTS
For some students, college can be more expensive than it needs to be. Helping your student with money-management skills will be useful throughout life.

• Help them create a budget and find ways to stay on it.
• Help them remember that studying is the top priority.
eBills – electronic billing

WSU’s Office of Student Accounts Receivable (SAR) is on the fourth floor of the Welcome Center and can be reached by calling 313-577-3653, option 5.

SAR provides student assistance by responding to account balance inquiries. They also offer payment plans that allow students to pay tuition and fee balances over the course of the semester rather than in one lump sum. Other services include generating student electronic bills (eBills) monthly, billing third-party sponsors for deferred tuition payments, issuing student refunds weekly and issuing federal 1098-T forms annually. Students may also request Perkins loan deferments in this office.

The eBill for each semester is posted to Academica on or before the first day of each month. Copies are available for online viewing for up to six months. The eBill is a snapshot of an account on the day it is generated. eBills are updated with new charges and payments once a month throughout the semester. Students are notified by email when a new eBill is posted.

To access your eBill or view the current balance due on your account, log on to academica.wayne.edu. Under Student Resources, select Financial Records and choose either eBill Statement and Payment History or Bill/Account Summary.

**eBill schedule**

<table>
<thead>
<tr>
<th>Semester</th>
<th>eBill date</th>
<th>Payment due date</th>
</tr>
</thead>
<tbody>
<tr>
<td>Fall 2017</td>
<td>08/01/2017</td>
<td>08/15/2017</td>
</tr>
<tr>
<td></td>
<td>09/01/2017</td>
<td>09/15/2017</td>
</tr>
<tr>

<td>10/01/2017</td>
<td>10/15/2017</td>
</tr>
<tr>
<td></td>
<td>11/01/2017</td>
<td>11/15/2017</td>
</tr>
</tbody>
</table>

Late payment fees will be assessed monthly on payments made after August 15, 2017.

The first eBill for the semester includes pending financial aid. If your pending aid exceeds the amount due listed on the eBill and you have met the following requirements, you may not have to worry about the August payment due date. Pending financial aid will be credited to your account if you:

- Signed promissory notes.
- Completed loan entrance counseling.
- Met satisfactory academic progress standards.
- Submitted any required verification documents.
- Registered for the credit hours required for your award.

**What your eBill looks like**

1. **Term:** The current term being billed.
2. **Date due:** The date by which payment is to be received.
3. **Amount due:** The amount due for a payment is shown in three places.
4. **Balance from previously billed terms:** Account balance from your last eBill.
5. **Unbilled charges/payments/balance from prior semesters:** This may appear if you have charges or payments that have occurred since your last bill.
6. **Charges/payments for the current term:** An itemized breakdown of the charges and credits that have been applied to your account.
7. **Balance:** Balance due for the current term.
8. **Financial aid ready to disburse:** Financial aid payments for the current term that will reduce your term balance.
9. **Pending financial aid:** This aid will not disburse until financial aid requirements are satisfied.
10. **Notes:** Always check the notes section for important messages.
**Paying your bill**

You can pay your bill online, by mail or in person.

When paying online, log on to Academica, select the Student Resources menu and click Online Payments, then choose Make an Online Payment.

When paying by mail, send to:
Wayne State University
P.O. Box 02788
Detroit, MI 48202

When paying in person, visit:
Cashier’s Office
Welcome Center
42 W. Warren
Second Floor, Room 217
Detroit, MI 48202
313-577-3650

For additional information, including types of payment accepted, visit wayne.edu/bursar/payment.

**Payment plans**

Extend your payment over three to five months by enrolling in a payment plan through Tuition Management Services.

- Payments are interest-free.
- Enrollments accepted June through September for fall balances. Notifications will be sent when the winter enrollment period opens.

For more information, contact:
Tuition Management Services
1-800-722-4867
afford.com

**Refunds**

If you are awarded more financial aid than the cost of tuition, fees and housing, or if you drop a class, your student account may have a credit balance and you may be due a refund. WSU posts refunds to students’ accounts once a week.

Refunds can be released to you in one of two ways:

1. Direct deposit into an existing checking or savings account.
2. Paper check mailed to your address on file with WSU.

If you choose to receive your refund through direct deposit, you must enroll online by logging on to academica.wayne.edu. Under Student Resources, select Financial Records and choose Direct Deposit.
Current account balance: The balance presently showing on your student account. This amount updates in real time whenever new fees or payments are posted to the account. This balance is available in Academica. Click on Student Resources, then Financial Records to find your Bill/Accounts Summary.

FAFSA: The acronym for Free Application for Federal Student Aid. The FAFSA information is used by the U.S. Department of Education to determine financial need for federal financial aid. You must complete the FAFSA every year (available beginning October 1) using the WSU school code 002329. For details and to apply, visit fafsa.gov.

Financial responsibility: An agreement electronically signed by all students prior to registering for classes each semester. Student accepts full responsibility for paying tuition and fees, and any costs associated with collecting them.

Grants: Generally awarded based on financial need and require no repayment.

Refund: Your financial aid will be credited to your tuition account to pay for your tuition, fees and any residential housing charges. When these charges are paid, any remaining aid will be refunded to you by direct deposit into an existing checking or savings account or by paper check mailed to your address on file with WSU. The amount refunded is for you to use for your books, housing, food, transportation and other miscellaneous costs directly related to your WSU education.

Satisfactory Academic Progress: To remain eligible for financial aid, you are required to maintain Satisfactory Academic Progress (SAP) each semester. At the end of each semester, the financial aid office will check your academic progress according to three standards:

• GPA – As an undergraduate, you must maintain a minimum 2.0 GPA.
• Pace (completion percentage) – You must complete at least 67 percent of your registered courses with passing grades.
• Time frame – You must not exceed your program credit hours by more than 150 percent.

If you do not meet any one of the three SAP components, you will be placed in “warning” status for one semester, during which you must regain Satisfactory Academic Progress. If you do not achieve academic progress at the end of the warning semester, you will be denied financial aid in the subsequent semester.

Scholarships: Gift aid that is awarded on multiple factors, including academic achievement, special talent, ability or financial need. No repayment is required. For a complete list, visit wayne.edu/scholarships. For scholarship opportunities external to the university, subscribe to the Scholarships stream in Academica.

Student service fee: Assessed to all students, it’s used primarily to maintain, upgrade and replace student computing and technology resources on campus. A small portion is also used to fund student activities on campus, and to enhance programs directed toward improving on-campus activities, including athletics.

Subsidized loans: Federal direct subsidized loans are for undergraduate students with financial need. The amount you can borrow depends on your financial need (see FAFSA definition), grade level and dependency status. You are not charged interest while you’re in school at least half-time and during grace periods and deferment periods.

Title IV authorization: Some fees and/or charges that can be assessed on your student account are not automatically paid with federal financial aid (Title IV aid). These fees and charges include a matriculation fee, book vouchers and late registration fees. Students can authorize payment of these fees in the current semester or up to $200 of a prior year balance by signing a Title IV authorization form.

If a Title IV authorization is not on file, you will be responsible for paying these fees out of pocket. You can submit the form at wayne.edu/financial-aid/receiving/titleiv.

Unsubsidized loans: Financial need is not a criterion for a Federal Direct Unsubsidized Loan. However, a borrower must receive the maximum amount for which he/she is eligible in a Federal Direct Subsidized Loan before receiving an unsubsidized loan. Because financial need, demonstrated via the FAFSA, is a criterion for the subsidized loan, the FAFSA also is necessary to borrow a Federal Direct Unsubsidized Loan.

Verification: The process by which the accuracy of the information provided on the FAFSA is confirmed. You may be asked to provide documentation such as a tax transcript. Verification status and document requirements can be viewed in Academica.

Work-study: A form of need-based federal financial aid. Work-study provides students with part-time employment opportunities in a variety of on- and off-campus jobs.
Crossing the finish line

Having a good graduation plan includes calculating how much financial aid may be available to you.

**Federal Pell Grant**
If you are receiving the Federal Pell Grant, keep in mind that it is limited to 12 semesters of awards for full-time enrollment.

**Loan borrowing**
If you decide to borrow federal student loans to help pay for your bachelor’s degree, subsidized loans also are limited to 12 semesters of full-time enrollment.

**Satisfactory Academic Progress**
The Satisfactory Academic Progress standards include a minimum GPA, pace (completion percentage) and 150 percent time frame. The time constraint limits the number of courses you can take in your degree program and still receive financial aid. Dropping courses will affect your pace and may affect your GPA.

**WSU merit scholarships**
WSU merit scholarships will be awarded for four consecutive years to new freshmen and two consecutive years to new transfer students. Merit awards include the President’s, Warrior, Gold, Green and Detroit Leadership.

**Academic plan**
A good academic plan can help you stay on track. Work with your academic advisor to develop your plan and stop in at the Academic Success Center for some valuable tips.

If your degree requires 120 credits, you will need to enroll in 15 credits each semester to graduate in four years.

**Money plan**
Avoid over-borrowing by creating and following a personal spending plan (budget). See resources at cashcourse.org.

---

## How your enrollment affects your aid

You must enroll full-time to be eligible for the maximum award amounts. If your enrollment is less-than-full-time, the amount of aid disbursed may be prorated.

<table>

</table>

You must enroll at least half-time to receive most types of financial aid, including federal loans. If you drop all courses, you may be required to repay a portion of your financial aid.
Consequences of withdrawing from all classes

Withdrawing from all classes during a semester may affect your ability to meet the Satisfactory Academic Progress standards.

You also may be required to repay a portion of your financial aid.

WSU is required to calculate a return of Title IV funds and refund amount if you receive aid and withdraw or do not attend classes during a semester.

WSU will determine the amount of aid (if any) you are entitled to keep. Funds may be returned to the university, state, federal programs or your lender.

You must repay your loans even if you do not complete your program.

If you do not make loan payments, you will be ineligible for future aid.

Consequences of attending less-than-half-time

If you attend less-than-half-time, you will not be eligible for federal loan funds.

The grace period of your subsidized loans will begin.

You will be responsible for loan payment at the end of any grace period.

Contact your loan servicer to make payment arrangements or request a loan deferment or forbearance.

Satisfactory Academic Progress (SAP)

Your SAP status is reviewed each semester.

You will lose financial aid eligibility if you do not maintain SAP standards. If you lose your financial aid eligibility, you may appeal if you have a reasonable plan to meet the standards within a set time frame. See wayne.edu/financial-aid for SAP appeal process details.

You are strongly encouraged and advised to see an academic advisor each semester to ensure you are selecting appropriate courses and progressing through your program of study.

Satisfactory Academic Progress standards

Academic progress is measured at the end of each semester against the following standards:

- **Cumulative minimum grade point average (GPA):** 2.0 for undergraduate programs.
- **Completion percentage (pace):** At least 67 percent of all credit hours attempted must have successfully passing grades. The pace of progress is calculated by dividing cumulative hours you have successfully completed by the cumulative hours you have attempted.
- **Maximum time frame:** Undergraduate and graduate students must complete a degree or certificate program in no more than 150 percent of the average published length of the program in credit hours.

The SAP policy is online at wayne.edu/financial-aid/receiving/sap.

Review your SAP status in Academica

Click on My Satisfactory Academic Progress.

Create your academic plan in Degree Works

In Degree Works, review your degree requirements and create your academic plan. Access Degree Works in Academica. Log in with your AccessID and password.

Repeat coursework policy

If you repeat a course, credit hours for each registration will be added to your attempted credit hours total. However, only the most recent grade received in the course will be included in the calculation of your cumulative GPA. Federal financial aid will pay for only one repeat of a previously passed course. See wayne.edu/financial-aid for more information about repeated courses and their effect on your financial aid eligibility.

The census date policy

The classes in which you are enrolled on the census date will determine the amount of grant funding you will receive. If you increase your enrollment level after the census date, your grants will not be increased.

If you decrease your enrollment level after the census date, your grants will not be reduced. However, if you drop all courses, federal financial aid regulations require WSU to reduce your federal aid based on the percentage of the semester that you have completed. The percentage is determined by dividing the number of weeks you were enrolled by the number of weeks in the semester.

Awards that may be reduced or canceled:

- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- WSU Promise Grant
- WSU Access Award

Enrollment requirements for Federal Direct Loans

You must be registered at least half-time at the time WSU disburses your Federal Direct Loan funds. When reviewing your enrollment for loan purposes, federal financial aid regulations require WSU to review real-time enrollment. More information is available at wayne.edu/financial-aid/receiving/retain.

The consequences of withdrawing from classes may include cancellation of your financial aid and loss of future financial aid eligibility. Before you withdraw from classes, you will be required to acknowledge the academic and financial consequences by participating in the SMART Check process. Learn more at go.wayne.edu/smart.

The census date policy only applies to students who attend class. Your aid may be reduced or canceled if your participation in class is not verified by your instructor.

Reporting additional financial aid resources

You are required to notify WSU of any additional financial resources you receive that are not listed in your award notification. This includes scholarships, grants, fellowships, employee educational benefits, Michigan Works benefits and stipends. These resources may result in adjustments and/or reduction of the financial aid originally offered.

Verification of your FAFSA

Verification is a process to confirm the accuracy of the information you provided on the FAFSA. The U.S. Department of Education may select your FAFSA for verification of additional items at any time. Verification selection can be random or due to incomplete, estimated or inconsistent data reported on your FAFSA. If your application was selected for verification, WSU will ask you to provide additional information to document the accuracy of your FAFSA information, which may include a copy of your tax transcript.

View your requirements in Academica. All requirements must be completed before any financial aid can be applied to your student tuition account. Your financial aid awards will not be available for payment until verification is completed. Allow time for document review.

Important FAFSA dates

File the 2017-18 FAFSA:
October 1, 2016, through June 30, 2018, using your 2015 income information

File the 2018-19 FAFSA:
Beginning October 1, 2017, using your 2016 income information

Spring/Summer Tuition Break

Taking classes every semester — including throughout the spring and summer months — is one way to reach graduation on time or even ahead of schedule. Staying on campus year-round keeps you in the habit of studying and aiming toward the greater goal. Plus, summer is when Detroit shines, with tons of outdoor festivals, plenty of patio dining options, bike rides through the Dequindre Cut and garden-fresh shopping at Eastern Market.

Wayne State helps make it possible to stick around through the Spring/Summer Tuition Break program, which offers a 30 percent savings off tuition. To qualify, you must enroll full time for the fall and winter semesters, completing at least 24 credits with a minimum GPA of 2.5. For details, visit wayne.edu/tuition.
The bottom line

To determine your eligibility for aid, the financial aid office uses estimates of your costs of attending school. Since the costs are estimates, they may not reflect your actual expenses. Your actual costs will vary depending on your housing and the number of classes you take. We recommend you take at least 15 credits each semester.

There are lifetime limits to the federal aid you can receive and most scholarships are limited to four years. **You are not required to accept a student loan.** If you choose to borrow, calculate how much you will need to cover your costs and borrow no more than that amount.

Expenses you will need to consider in addition to tuition and fees include books and supplies, miscellaneous expenses, and transportation if you commute from home. Below are examples of estimated costs and rewards based on 2016-17 rates. If your financial aid is not enough to pay your student account bill, you are responsible for paying the remaining balance.

</tr>
</thead>
<tbody>
<tr>
<td>Federal Parent PLUS Loan</td>
<td>$2,000</td>
<td>$2,000</td>
<td>$4,000</td>
</tr>
</tbody>
</table>

The Federal Pell Grant and Wayne Access grant are awarded based on the estimated family contribution (EFC) determined by your FAFSA information. The Wayne Access grant is available to eligible students with need who file the FAFSA early. The WSU Green Scholarship is a merit award offered to students based on admission credentials.

The Federal Parent PLUS Loan is not included on your award letter. Parents of dependent undergraduates may apply for a Federal PLUS loan to assist with educational expenses. Unlike other federal loans, the Federal PLUS loan requires credit approval. Parents may apply online at [studentloans.gov](http://studentloans.gov).

Other options to assist with costs include a payment plan, military and national service benefits, and non-federal private education loans.
Payment of aid and refunds

Financial aid for an academic year is applied in two payments: half for the fall semester and the other half for the winter semester.

- Aid is paid to your student account no sooner than the week prior to the official start of the semester.
- If you have excess aid, you will receive a refund to use for your other educational expenses.
- Financial aid refunds are released within 14 days of payment. Refunds are generated weekly.

Late financial aid applicants will receive funds after an award is offered and accepted, provided other award conditions are completed, such as entrance loan counseling and signing a loan Master Promissory Note.

You have the right to cancel all or a portion of your student loans and may notify the financial aid office in writing within 14 days of payment. Include your full name, student number and signature.

Your aid may be reduced or canceled if your course participation is not confirmed by your instructor.

How you will receive your refund

Review your options at wayne.edu/bursar/refunds. If you do not indicate a preference, a check will be mailed. Review your account on Academica to check for refunds.

Other options to cover costs

We encourage you to pursue all sources of assistance. Any external aid you receive will reduce the amount of loans you borrow and thereby reduce your loan indebtedness. For information about outside scholarships, visit wayne.edu/scholarships/external.

Special circumstances

We recognize that students may have extenuating circumstances that the FAFSA does not consider. If a significant change occurs in your financial situation (e.g., reduction in income, loss of employment, divorce/separation, death of a parent/spouse), you may submit a Special Circumstance Appeal and request a review of your financial aid eligibility. Please see a financial aid officer to discuss your circumstances and obtain an appeal form.

Military and veterans assistance

The WSU Office of Military and Veterans Academic Excellence can help you with the educational benefit programs available to veterans and their dependents. They can be reached at 313-577-9180 and are located in the David Adamany Undergraduate Library, Suite 1656. You may view your financial aid shopping sheet in Academica. The shopping sheet is a standardized award letter that will allow you to easily compare financial aid packages to make informed decisions. For details and links, visit wayne.edu/financial-aid/types/other/veterans.

Want adventure?
Join the Freshmen Quest Learning Community

Start your school year with a splash on a three-day, two-night camping trip on the Au Sable River.

To participate, you’ll sign up for the two-credit course during fall 2017 registration. No need to track down sleeping bags or tents — those are provided by WSU.

Trips are headed up by an upperclassman student leader. WSU faculty and staff members accompany the group to guide campfire conversations about college success, touching on topics such as critical thinking, academic resources and stress management. Class time in the fall will focus on critical thinking, self-discovery and writing skills.

For details and to watch a Freshmen Quest video, visit rfc.wayne.edu/freshman/quest.php. Please contact Dr. Christy Nolan at 313-993-4378 or cnolan@wayne.edu with questions about the program.

Turning transfer students into Warriors

Welcome to campus, transfer students! Wayne State offers a number of services to guide you to graduation, including help from the Transfer Student Success Center. Friendly staff members will assist you by:

• Making sure you take classes that will transfer to WSU.
• Connecting you with key resources and support services.
• Providing a Transfer Student Learning Community to smooth your transition.

If you need help — or have friends who want to transfer to Wayne State — stop by the Transfer Student Success Center office in the Undergraduate Library, call 313-577-2487, email transfer@wayne.edu or visit tssc.wayne.edu.

Reverse transfer agreements

An associate degree is an important milestone and a valuable credential to have on your résumé. That’s why Wayne State partners with several community colleges to form reverse transfer agreements.

Reverse transfer is for students who have transferred from a two-year community college to Wayne State before earning their associate degree. Credits completed at WSU are transferred back to your community college and used to satisfy your associate degree requirements. The community college will evaluate your work to determine which Wayne State credits fulfill your associate degree requirements.

Participating institutions include Delta College, Henry Ford College, Kalamazoo Valley Community College, Macomb Community College, Oakland Community College, Schoolcraft College, St. Clair Community College, Washtenaw Community College and Wayne County Community College District.

Complete the Reverse Transfer Transcript Request form in the back of this guide to grant permission for your WSU work to be sent to your community college. For a mailing address and details, click the Reverse Transfer Agreement box at transfercredit.wayne.edu.
Campus resources

Wayne State wants to see students succeed and, ultimately, graduate. There are many campus resources available to help make this happen. Keep the following options in mind as you proceed through your time on campus. All are either free or provided to students at a discounted rate.

**Academic Success Center**
success.wayne.edu • 313-577-3165
Meet with a Learning Specialist to strengthen your study skills; attend tutoring and Supplemental Instruction sessions to reinforce course material and learn techniques to master difficult concepts; participate in study skills workshops to develop new strategies to better manage your time, take notes, improve concentration; and more. The ASC is located in suite 1600 of the Undergraduate Library (UGL).

**Career Services**
careerservices.wayne.edu • 313-577-3390
Provides support to students and alumni in defining career and employment goals and assists them in their search for employment opportunities. The office also helps with career planning via counseling, personal assessments and more.
In addition, a variety of workshops, events, and group or individual career and employment counseling services are available.

**Counseling and Psychological Services**
caps.wayne.edu • 313-577-3398
Meet with a professionally trained counselor for one-on-one, short-term counseling in the areas of anxiety, depression, relaxation, stress management, relationships and substance use. CAPS is on the fifth floor of the Student Center Building.

**Dean of Students Office**
doso.wayne.edu • 313-577-1010
DOSO’s mission is to provide educational challenges, resources and support through an integrated co-curricular, student life program with student, faculty, staff, parent and family member involvements and opportunities that allow students to develop leadership and social skills, always enhance the sense of community at WSU, and enrich student character, citizenship and respect for diversity.

**Office of Housing and Residential Life**
housing.wayne.edu • 313-577-2116
Housing and Residential Life fosters student learning and success by engaging residents in an intentional living-learning community. Supported by safe, comfortable and convenient residence hall, apartment and dining environments, residents grow in self-awareness and cross-cultural understanding as they practice social and group development as members of a diverse group of learners.

**Office of International Students and Scholars**
oiss.wayne.edu • 313-577-3422
OISS serves the more than 2,400 international students who call WSU home, and promotes a cross-cultural environment that benefits all Warriors. OISS provides orientation, advising, programs, workshops, helps with immigration regulation, and assists with social and cultural adjustment. This office is your gateway to both WSU and the world outside our campus.
Math Resource Center
math.wayne.edu/mlrc • 313-577-3195
Math tutors are available to provide assistance with beginning algebra through calculus III courses. The center is on the first floor of the Faculty/Administration Building.

Office of Military and Veterans Academic Excellence
omvae.wayne.edu • 313-577-9180
OMVAE is dedicated to supporting student veterans in an environment that fosters respect, commitment and success. Located in the Undergraduate Library, the office offers veteran-specific services such as VA education benefit guidance.

Mort Harris Recreation and Fitness Center
rfc.wayne.edu • 313-577-2348
The RFC provides students with cardio and strength-training equipment, an indoor track, and basketball courts. Students also can participate in classes ranging from Zumba to yoga. Personal training, nutrition counseling and massage therapy are available at discounted student rates. The RFC houses all intramural sports, including basketball, flag football, soccer and dodgeball. Use of the RFC is included in the tuition and fees of each registered student.

Office of Multicultural Student Engagement
facebook.com/wsuomse • 313-577-9193
This office’s mission is to develop collaborative relationships across departments, units and colleges to increase engagement, retention and graduation of students who may be academically underprepared, first generation or historically underrepresented at WSU.

Ombuds Office
wayne.edu/ombuds • 313-577-3487
Located in 790 Student Center Building, the ombudsperson offers a safe place for students to seek resolution of issues that are negatively affecting academic and campus life — including academic appeals, health and personal concerns, and the navigation of university processes.

OneCard/Parking Service Center
onecard.wayne.edu • 313-577-CARD
Your OneCard is a multipurpose ID and debit card that gets you around on campus — including access into parking lots, the fitness center, libraries and dining halls. Adding money to the card allows you to pay for printing, books, meals and more. Visit the OneCard/Parking Service Center on the second floor of the Welcome Center.

PARKing and Transportation Services
parking.wayne.edu • 313-576-PARK
There are more than 13,000 spaces maintained in structures and surface lots across campus. A semester-long parking pass offers unlimited entry and access to a designated lot or structure, chosen based on availability and convenience. Visit the OneCard/Parking Service Center on the second floor of the Welcome Center.

Student Disability Services
studentdisability.wayne.edu
313-577-1851 • Video phone 313-202-4216
SDS is in the Undergraduate Library for students who have special needs or disabilities that require reasonable accommodation (permanent or temporary). You must register for accommodations by meeting with a counselor; call the office for details.

Student Service Center
wayne.edu/studentservice • 313-577-2100
A one-stop shop that serves the needs of students, parents and anyone interested in Wayne State University. Email, call or visit the Welcome Center office with questions about admissions, financial aid, records and registration, and student accounts.

Testing, Evaluation and Research Services
testing.wayne.edu • 313-577-3400
Through this office on the sixth floor of the Student Center, students have the option of placing into higher levels of general education courses. Students also can take the CLEP to test out of certain requirements. Later in their academic career, students who decide to go on to graduate school can take the LSAT, MCAT or GRE right on campus. The office also offers faculty performance information via the schedule of classes. Just click on the instructor’s name to learn which faculty member teaching a particular course would be the best fit for your learning style.

Transfer Student Success Center
tssc.wayne.edu • 313-577-2487
The Transfer Student Success Center helps ensure a smooth transition for students who are transferring to Wayne State from another school. We can answer questions about transfer credit evaluation, academic advising and get you connected to an advisor in your academic department. No question is too big or too small. And if we can’t answer your questions, we will figure out who can and connect you. Our staff is here to support you and ensure your success.

Undergraduate Research Opportunities Program
urop.wayne.edu • 313-577-9226
Undergraduate research gives students the opportunity to put theory into practice as they work on projects collaboratively with faculty who are leaders in their fields. Research activities help students develop critical thinking skills, make connections with faculty experts and create knowledge in their field of interest. Any undergraduate student has the opportunity to participate. The research project can be one proposed by the student, an ongoing study or work already taking place within a lab. Search the database at uropconnect.wayne.edu for potential research projects and faculty mentors.

continued next page
University Advising Center
advising.wayne.edu • 313-577-2680
Schedule an appointment: advisingworks.wayne.edu
Located in the Undergraduate Library, the University Advising Center provides advising support to the following students: pre-pharmacy and health sciences, pre-medicine, pre-dental, pre-veterinary, pre-physician assistant, pre-law, pre-social work and pre-nursing. The UAC also supports students exploring, declaring or changing majors, as well as prospective freshmen and transfer students.

Writing, Research & Technology Zone
clas.wayne.edu/writing • 313-577-2544
Writing tutors can lend a hand with various English courses, writing assignments and preparation for the English Proficiency Exam. The center is located in the Undergraduate Library.

WSU Dining Services
housing.wayne.edu/dining • 313-577-9953
From OJ and oatmeal before class to pop and pizza during late-night study sessions, WSU Dining Services stands ready to keep you energized with tasty and nutritious offerings. Sign up for a convenient meal plan or use Warrior Dollars, your OneCard or cash to pay as you go. All can be used at the two dining halls and several on-campus locations.

A breath of fresh air
Wayne State supports a healthy environment by maintaining a smoke- and tobacco-free campus across all indoor and outdoor spaces. To help, the university offers a comprehensive smoking cessation program to students, faculty and staff, free of charge. For details, visit wayne.edu/smoke-free.

GRADUATE ON TIME
6 steps to getting out the door in 4

1. Seek expert advice
Meet with your advisor to develop a semester-by-semester, four-year academic plan in Degree Works. Schedule appointments at advising.wayne.edu.

2. Give yourself credit
To end up with the 120 credits required for graduation, you will need to earn 15 credits every fall semester and 15 credits every winter semester. If you attend year-round, you can earn 12 credits each fall and winter semester and 6 during spring/summer.

3. Go to class – seriously
The path to success is simple: Show up, take notes, participate and study. Profs take attendance, and missed classes could result in lost financial aid. Make sure you get the classes you need, when you need them, by taking advantage of priority registration.

4. Aim for A’s
Some classes are more challenging than others, but if you always try your hardest — and get help from the Academic Success Center as needed — you’ll have a better shot at keeping your GPA above the recommended 3.0.

5. Budget wisely
Fill out the FAFSA every year and follow advice offered by the Office of Student Financial Aid and the Academic Success Center’s financial literacy coordinator.

6. Put school first
If you’re working in addition to taking classes, limit those hours to 20 per week. Remember: Every hour spent in class requires two hours of homework and studying. Wayne State is your most important job until you graduate.

Note: Some programs of study require more than four years. Take the pledge to graduate in a timely manner.
As a full-service primary care clinic, the Campus Health Center serves all currently enrolled Wayne State students.

In order to help you get healthy and stay healthy, services include:

- One free illness visit per semester for students
- Illness, preventative and routine care
- Tests and procedures
- Nutrition services
- Sexual health services
- Travel health care
- Annual flu shots at no out-of-pocket cost

A healthy YOU.

Call CHC to make an appointment. For details, see page 43.
Wayne State University libraries

What’s the U-G-L?
The UGL is what a lot of people call the David Adamany Undergraduate Library, located in the center of campus.

• Open 24 hours a day during fall and winter semesters
• More than 350 computers available for student use
• Library Information Desk and Computer Help Desk on the first floor
• Writing, Research & Technology (WRT) Zone on the second floor
• Quiet study on the first floor
• Group study rooms
• Vending machines and dining area (please don’t eat anywhere else in the library)

There are five libraries in the Wayne State University Library System that you can visit:
  David Adamany Undergraduate Library (UGL)
  Purdy/Kresge Library
  Arthur Neef Law Library
  Vera P. Shiffman Medical Library
  Walter P. Reuther Library

Your OneCard is your library card, printing and copy card, and your campus ID. Make sure you always have it with you when you come to the library. It is required for entry after 6 p.m.

What else is available at the library?
Use the re:Search online videos to learn about resources and services. library.wayne.edu/research

Got a big paper due? Use the Assignment Planner to create a schedule for getting it done on time. Get text message reminders and helpful hints and guidance for each step of the process. library.wayne.edu/planner

Get help with your multimedia projects in the Writing, Research & Technology (WRT) Zone, which provides hardware and software for individuals or small groups of students to use in creating multimedia projects for assignments and other course-related activities. Our friendly and knowledgeable staff is ready to assist you with your project. The WRT Zone is on the second floor of the Undergraduate Library. wrzone.wayne.edu

What else do I need to know?
To get into any library after 6 p.m., you need to have your OneCard or some other form of picture identification.

Your library account is accessible using your Wayne State AccessID and password. You can renew books and check due dates online in your account.

You can watch videos for help using library services and resources at youtube.com/wsuinst.

The Library Resources link in your Blackboard site for each course takes you to library, research and information sources you may need for assignments in that course.

What if I need help using the library?
Librarians can answer your questions and help you with research, projects and assignments anytime, day or night. To connect with a librarian, go to library.wayne.edu and click on Help, or visit library.wayne.edu/services/help. You can also text questions to 313-228-3WSU. (Standard text messaging charges may apply from your wireless provider.) Feel free to stop by any library information desk or make an appointment for individual research assistance.

Like the Wayne State University Library System on Facebook and follow us on Twitter (@waynestatelib) and Instagram (wsulibraries).

Our libraries are available

events.wayne.edu/getinvolved
Wayne State University is committed to the safety and security of its campus community. A wide range of activities, training, safety measures, technology and resources combine to ensure Wayne State remains one of Michigan’s safest college campuses — a place where everyone can live, learn, work and experience all that Detroit has to offer without worry. In fact, WSU has been ranked among the top 50 safest campuses in America by BestColleges.com.

Whether in patrol cars, on mountain bikes or behind desks, the dedicated men and women of the Wayne State University Police Department handle all police, criminal and safety matters on campus. WSUPD provides a full range of professional police services to the main and medical center campuses as well as surrounding neighborhoods. The full-service department is available to the university community 24 hours a day, seven days a week, 365 days a year, with a response time of 90 seconds or less in most situations.

All WSU police officers are fully licensed through the Michigan Commission on Law Enforcement Standards, are sworn peace officers commissioned under state law, and have been commissioned as Detroit police officers. They are empowered to enforce all federal, state and local laws on and off campus, working closely with the Detroit Police Department, Wayne County Sheriff’s Department, Michigan State Police and federal law enforcement authorities. WSUPD also has a three-dog K9 unit that works as a regional resource for tracking, explosives and narcotics detection.

Personal safety and crime prevention efforts are the responsibility of the entire Wayne State community. Crime happens everywhere, so whether you’re on or off campus, it’s important to be alert, be responsive and be informed. Always be aware of your surroundings, act quickly and know what steps you can take to avoid being a target.

Your safety

Blue Light emergency phones: Located at each building entrance and several other spots across campus, these highly visible phones offer direct contact to the WSU Police Department at the touch of a button.

Broadcast Messaging: This system can send you an email or text message alert when campus is closed for snow days or other emergencies. Opt in on Academica.

Speed dial: Take a minute to program the WSU Police Department’s emergency number into your cell phone: 313-577-2222.

VIN etching: Endorsed by many auto insurance companies, the vehicle identification number is permanently etched into the surface of at least six windows of a vehicle. WSUPD hosts free VIN etching sessions for all members of the campus community.

Commuting safety tips:
• The quickest route is not always the safest. It may be worth leaving 10 minutes earlier to travel a slower, safer route.
• Carpool if possible.
• Keep your vehicle well maintained.
• If you are stranded, do not leave your car.
• Carry a cell phone.
• Always drive with your doors locked.

For more advice and a full lineup of WSUPD programs and services, see the Safety Tips section of police.wayne.edu.
Preventing and reporting sexual assault

Wayne State is committed to maintaining a safe environment that supports the education and career advancement of its students.

Every WSU student is strongly encouraged to participate in education focused on familiarizing themselves with ways to reduce the risk of being a victim of sexual harassment, sexual assault, domestic and relationship violence, or stalking.

Key facts

• Most sexual assaults on college campus occur among people who know each other.
• Alcohol is the No. 1 date rape drug. About 75 percent of the men and at least 55 percent of the women involved in date rapes had been drinking or using drugs right before the attack.
• Alcohol and drugs cloud a person’s thinking and alter their ability to make sound decisions and assess risk.
• The fact that alcohol consumption may increase a person’s likelihood of experiencing sexual assault does not make them responsible for the perpetrator’s behavior.
• Consent cannot be given by a person who is unable to make a reasoned judgment because of intoxication, incapacity, unconsciousness or mental deficiency, or if the consent is the product of threat or coercion. Each one of us is responsible for making sure we have consent in every sexual situation. If you’re not sure, ask!

Where to report

• If you witness, become aware of, or are the victim of a sexual assault by another member of the university community, you should immediately call the WSUPD at 313-577-2222. They will offer immediate help and work to preserve any evidence and apprehend the offender, if desired.
WSUPD will take police reports and conduct investigations of any assaultive crimes involving any student, staff or faculty member. You are not required to press charges when you report an incident, but documentation is important in case you change your mind about pressing charges later.

• For all other sexual misconduct by another member of the university community, seek assistance through the Dean of Students Office at 313-577-1010 or the Office of Equal Opportunity at 313-577-2280. DOSO can implement interim measures — such as a no-contact order, an interim suspension of the accused or a change in classes — that may be needed to protect the victim and the rest of the campus community.
• The university will promptly and fairly investigate all reported incidents of sexual harassment and assault, and take administrative action where appropriate, even if no criminal charges are brought.

Help and support

It is important that a survivor receive help and support in dealing with trauma that may result from experiencing domestic or intimate partner violence, sexual assault, stalking, sex discrimination, or harassment. Counseling and Psychological Services (CAPS) is available to offer support and referrals, with free services for Wayne State students.

Good safety choices

• Always trust your instincts. If you feel uncomfortable in a situation, don’t try to be polite and stay. Remove yourself immediately, and call the WSUPD at 313-577-2222. If you’re off campus, call 911.
• If you plan on drinking alcoholic beverages, don’t do so from open containers (such as punch bowls), which can easily be spiked with other drugs. Order your own beverage and keep an eye on it at all times.
• When going out to social events, go with friends you trust. If you head out alone, notify others about where you’ll be.
• Don’t leave a social event alone or with someone you just met or don’t really know.

Visit doso.wayne.edu for additional information about awareness, prevention and support resources.

RAD training

The Wayne State University Police Department offers low-cost, nationally certified Rape Aggression Defense (RAD) training throughout the year.

Students, staff and faculty learn techniques for awareness, prevention, risk reduction and avoidance before advancing to realistic self-defense training. Emphasis is placed on the proper way to deliver effective kicks, blocks and strikes, as well as practical, tactical ground-fighting skills to facilitate escape.

Watch your inbox for messages from WSUPD with details about upcoming training sessions.
Reaching out

In light of continued news of oppression and violence, both domestic and abroad, CAPS reaf- 
forms its role as a supportive resource to the WSU 
community. You do not need to identify as a sur- 
vivor or know a victim of violence to experience 
its emotional and physical effects. It is possible to 
be traumatized vicariously. 
You may feel fear, anger, resentment, hopeless- 
ness, helplessness, confusion, alienation, or even 
guilt or shame. 
We encourage you to reach out to people you 
trust for support, know your limits, and set 
boundaries in conversations and around social 
media so that you can take care of yourself. 
Visit CAPS to speak with a caring and nonjudg- 
mental counselor — no appointment needed.

Making the grade: What to expect when moving ahead

<table>
<thead>
<tr>
<th>High school</th>
<th>College</th>
</tr>
</thead>
<tbody>
<tr>
<td>Your time is structured by others.</td>
<td>You manage your own time</td>
</tr>
<tr>
<td>Most of your classes are set for you.</td>
<td>You arrange your own course plan with an academic advisor.</td>
</tr>
<tr>
<td>Note: Your weekly schedule may look lighter than in high school but you’ll be expected to spend twice as much out-of-class time on studying and homework.</td>
<td></td>
</tr>
<tr>
<td>Teachers impart knowledge and facts, often drawing connections and leading you through the thinking process.</td>
<td>Professors expect you to contemplate, make sense of and draw connections between seemingly unrelated topics.</td>
</tr>
<tr>
<td>Teachers often remind you of assignments and deadlines.</td>
<td>Professors expect you to read, save and consult the course syllabus to stay on top of expectations.</td>
</tr>
<tr>
<td>Reading assignments are often discussed and re-taught in class.</td>
<td>You are assigned substantial amounts of reading and writing that may not be directly addressed in class.</td>
</tr>
<tr>
<td>Testing is frequent and covers small amounts of material.</td>
<td>Testing happens less frequently and may be cumulative. You are responsible for test preparation, not your professor.</td>
</tr>
<tr>
<td>Consistently good homework performance may help raise your overall grade even when test scores are low.</td>
<td>Your overall grade usually depends on tests and major papers.</td>
</tr>
<tr>
<td>Effort counts: Classes are often structured to reward a good-faith effort.</td>
<td>Results count: While a good-faith effort may gain favor with the professor, scoring well on tests and papers is what matters in the end.</td>
</tr>
</tbody>

Health and wellness

Campus Health Center
The Campus Health Center (CHC) is a nurse practitioner-run clinic that provides a wide range of primary health care services to keep Wayne State students healthy and ready to learn. Some of the health care services offered include: illness care, preventative and routine health care, clearance exams, immunizations, TB testing, travel health, STD testing, and birth control options.

All WSU students enrolled in classes are eligible to receive health care services at CHC. Students get one free illness visit (professional consultation) per semester. Find a list of accepted insurance plans at health.wayne.edu.

Call for an appointment:
313-577-5041
Fax: 313-577-9581
9 a.m.-5:30 p.m. Monday-Friday
5200 Anthony Wayne Drive, Suite 115
campushealth@wayne.edu
health.wayne.edu
facebook.com/CampusHealthCenter
twitter: @wsucampushealth

Immunization records
All students must have an immunization record on file at CHC prior to moving into a residence hall. Immunization records can be hand-delivered, faxed or mailed to the address above. They will be accepted on move-in day, but students are strongly advised to turn them in prior to that.

Vaccinations
A meningitis vaccine booster is highly recommended for all first-year students living on campus. This and other recommended vaccines are available at CHC. Contact CHC if you are unsure of your vaccination status. All students are eligible to receive an annual flu shot at no out-of-pocket cost. Please visit health.wayne.edu for more information about vaccinations.

Student Health 101
Student Health 101 (readsh101.com/wayne.html) is a free digital magazine for WSU students. Each month, it offers new videos and articles geared toward college student health and wellness.

C&IT – Computing & Information Technology
C&IT provides information technology services and resources that support and enhance Wayne State’s teaching, learning, research and administrative activities. C&IT’s primary goal is to provide technology services that enable students, faculty and staff to be successful at Wayne State. C&IT strives to provide excellent customer service, respond to the changing needs of the university community, and make it easy and convenient for everyone to use technology at WSU. Learn more at tech101.wayne.edu.

C&IT Help Desk: The Help Desk is the first and best option to solve any tech problems you have. Visit us in the lower level of the Student Center or get in touch with us at 313-577-HELP, helpdesk@wayne.edu or via live chat on computing.wayne.edu.

Computer Repair Services: The Help Desk offers competitively priced diagnostic and repair service for your personal computer. If your personal Windows PC or Mac crashes frequently or is slow, check us out. For more information, visit computing.wayne.edu/repairs.

Purchases and discounts: You can purchase discounted software at computing.wayne.edu/freesoftware, find mobile phone discounts at computing.wayne.edu/mobilediscouunts and see computer discounts at computing.wayne.edu/discounts.

Wayne State Mobile: Access your email, grades, campus maps and more on your mobile device. Visit m.wayne.edu to get started, or search “Wayne State Mobile” in your app store to download the free app on your Android or iOS device.

Wireless internet: C&IT provides free internet access on campus to all WSU students. Connect to WSU-SECURE with your AccessID and password. Find full instructions at computing.wayne.edu/securesetup.
1. **Remember why you are in college.** Identify long-term goals and remind yourself of them when frustrated or overwhelmed.

2. **Go to class and participate.** Don’t abuse your new freedom. Being in class is your responsibility, and you’ll be graded on what happens there.

3. **Connect with people who can help you succeed.** Engage with advisors, instructors, organization sponsors, learning specialists and fellow students.

4. **Make a plan.** Create a schedule for your entire semester. Include due dates for your class assignments, extracurricular activities and personal time. Review it daily.

5. **Improve your study habits.** Students who had an easy time in high school often experience difficulty in college. Visit the Academic Success Center for personalized study support.

6. **Stay healthy.** Eat well, get enough sleep, and exercise your body and mind. Your well-being can positively affect your GPA.

7. **Develop critical thinking skills.** Challenge yourself to understand the “why” of course material. Why is it important? Why is it believable? This also will help you make wise decisions in other areas of life.

8. **Keep a positive attitude.** Things will not always work out the way you expect, so focus on what is truly important. Acknowledge what you have accomplished.

9. **Get involved.** Immerse yourself in the Wayne State community through student organizations, athletics, Learning Communities and other campus activities.

10. **Seek out support.** Asking for help is a sign of maturity. Connect with support resources regularly to stay on the right track.

---

**Aiming to have a great academic year? We can help.**

Visit the Academic Success Center for:
- Study skills counseling
- Math literacy services
- Peer-assisted learning
  - Supplemental Instruction
  - Small-group and individual tutoring
- Financial literacy coaching
- Free workshops

See page 10 for more information.

Each semester, the Academic Success Center hosts workshops covering various topics aimed at helping you make the grade. The workshops are free and open to all students with a OneCard. The fall 2017 series will include topics such as:
- Time management and test prep
- Math study strategies
- Personal finance for success

Located on the first floor of the Undergraduate Library

For details and schedule updates, visit success.wayne.edu
Student veterans at WSU

Wayne State values its student veterans and the time and effort they’ve put into their military service. We are proud to provide a solid next step, with services and a learning environment designed to promote success.

WSU is a Yellow Ribbon school. We’ve been recognized by the American Council on Education as veteran friendly and we’ve received endorsements from Victory Media (Military Friendly Schools list) and KMI Military Advanced Education (2016 Guide to Colleges & Universities).

Warriors for Warriors
A charter member of the Student Veterans of America, WSU’s Student Veterans Organization provides volunteer opportunities, community outreach, peer mentoring and tutoring. In addition, the Student Veterans Resource Center is a popular place to hang out, with its computer lab, free printing services and space for group study sessions. Stop by room 687 of the Student Center, call 313-577-4762 or write to patrick.hannah@wayne.edu with questions or for details.

VA Educational Benefits
If you have ever served, you might be eligible for education benefits offered by the Department of Veterans Affairs. To explore your potential eligibility, visit omvae.wayne.edu/benefits/forms.php.

Activate your VA education benefits online at benefits.va.gov/gibill/apply.asp.
Then mail, email or fax your certificate of eligibility to:
Office of Military and Veterans Academic Excellence
Wayne State University
1600 Undergraduate Library
Detroit, MI 48202
veteranenrollmentcoordinator@wayne.edu
Fax: 313-577-5020

Documentation of enrollment
After you work with an advisor to schedule your classes, you’ll need to submit your Veterans Admissions Agreement (omvae.wayne.edu/va-admission-agreement.php) your Request for VA Certification (omvae.wayne.edu/va-certification.php) and a copy of your academic plan.
The Office of Multicultural Student Engagement seeks to cultivate a safe campus environment where we value, promote and celebrate the identities among all students who engage our office, while intentionally offering initiatives that positively address and impact retention and graduation rates of students who arrive at WSU underrepresented or at risk.
OMSE is committed to engaging students inclusively through several initiatives that include: advising, multicultural programming, cultural events, workshops, trainings and learning communities.

Leonard A. Savalla III PhD  
Director

Latonia A. Garrett  
Assistant Director

Tom Molina-Duarte  
Advisor for Academics & Student Engagement

Helena Yago  
Administrative Assistant

LEARNING COMMUNITIES

The Network supports what young men are learning inside the classroom while offering them mentoring, brotherhood and life skills outside of the classroom.

RISE’s purpose is to provide a safe space for self-identified Women of Color (WOC) to come together for continued growth, sisterhood and mentoring.

Office of Multicultural Student Engagement
Wayne State satellite campuses offer convenience

Students at WSU can take classes in Midtown or at any of our five satellite campuses in the metro area — including our newest in Warren and Livonia.

Satellite campuses offer the convenience of taking classes close to home or work and provide additional access to university services, courses and degree programs. Students benefit from the same comprehensive educational experience they receive on main campus, and classes taken at satellite campuses provide full university credit toward degree and certificate requirements.

Classes at satellite campuses are open to all Wayne State students who meet program requirements. Student services at the satellite campuses are integrated with main campus and include regular visits by representatives from admissions and financial aid, and advisors from select academic programs. Informational meetings, math placement and critical thinking competency exams are scheduled throughout the year at satellite campuses, and all offer library resources such as pick-up and drop-off of interlibrary loans.

General education classes such as basic speech, economics and history are offered at satellite campuses, and high-demand programs in business, engineering and engineering technology, and computer science are available at several satellite campuses, including the Advanced Technology Education Center (ATEC) in Warren.

Besides the expertise provided by faculty teaching at a comprehensive research university, ATEC also features bicycle storage and electric vehicle charging stations, while the Schoolcraft Center has collaborative learning space and is conveniently located at 7 Mile and Haggerty roads in Livonia.

Parking is free at all satellite campuses. For more information, visit educationaloutreach.wayne.edu.

Close to home

No matter where you live or work, there is a Wayne State site nearby that can help you achieve your goal of completing a degree. Learn more at educationaloutreach.wayne.edu.

Check out the courses offered at the campus closest to you at classschedule.wayne.edu.

Multicultural Student Engagement

In 2015, the Office of Multicultural Student Engagement (OMSE) opened on Wayne State’s campus. The office is located on the seventh floor of the Student Center in Suite 799.

The mission of OMSE is to develop collaborative relationships across departments, units and colleges to increase engagement, retention and graduation of students who may be academically underprepared, first generation or historically underrepresented at Wayne State.

The office serves as a conduit to link students with campus and community resources and services designed to assist in achieving academic and professional goals. OMSE provides academic and support programs to assist in the adjustment process as students transition into the university culture. OMSE supports the needs of any student who wishes to receive such support within a context of cultural awareness.

A main focus of the office is to advance the multicultural and intercultural learning and skill development for all WSU students. The office is drawing upon the academic, financial and social resources of the university to create and sustain a sense of community among students, faculty and staff.

International students

International students who live and learn on campus enhance the experience for everyone at WSU. By bringing the world to our door, students are better prepared to succeed in a global society and multicultural workplace. Our students hail from 79 countries, from Australia to Vietnam and nearly everywhere in between.

The Office of International Students and Scholars (OISS) collaborates with academic departments and the community to provide programs and offer assistance to international students, from teaching how to navigate through our educational system to building a résumé to even finding a ride to the grocery store. Helping students adjust to different cultural and social expectations when far away from home are key elements of OISS programming.

International students can turn to OISS for information about health insurance, on-campus housing, tuition and fees, and how to connect with various ethnic organizations both at WSU and in the metro area. International students can find their way — and their home — in OISS. Learn more at oiss.wayne.edu.
The Warrior Zone student section promotes spirit and fan engagement at WSU athletic events.

Involvement in the Warrior Zone extends beyond the game. It’s a way to show Warrior Pride on campus and in the community.

Hype up the crowd and cheer our Warriors on to victory!

For more information, contact Coordinator of Warrior Pride Larry Wallace at larry.wallace@wayne.edu or 313-577-1010.

Make friends — don’t go it alone. That way, when it’s too much, they can help you get back on your path — and keep you ... you.”
Research shows that getting involved on campus — whether in a student organization, on an athletic team, at an on-campus job or conducting hands-on research with a professor — helps students be more successful.

The Dean of Students Office (DOSO) provides numerous opportunities for student life and campus activities involvement, including:

**Student organizations**
There are more than 400 registered groups, including approximately 25 fraternities and sororities. If you don’t see a student organization that meets your interest, it’s really easy to start your own.

**Campus Activities Team**
Offering a monthly film series, student spotlight events, nightly programs in the Student Center and weekend Discover Detroit excursions. Join us — most of these events are free!

**The South End**
WSU’s official student newspaper, published primarily online, is the best way to stay on top of campus happenings. Consider joining the staff — you don’t have to be a journalism major to do so.

**Student Senate**
The Wayne State University Student Senate is a nondiscriminatory, nonpartisan representative body of students. Its 28 members enhance campus-community life through quality programming and act as a liaison between students and the administration. Visit studentsenate.wayne.edu for more information and a list of current members.

**Thursdays in the D**
Check out your Midtown neighborhood and downtown Detroit every Thursday night through this popular event series. Whether it’s a salsa dance party at the Charles H. Wright Museum of African American History, Cupid’s Gala at the Colony Club, Halloween at MOCAD, or trips to Red Wings and Tigers games, these free or low-cost events immerse you in the city’s culture. DOSO makes it easy to participate with free shuttles to and from events.

**And much more**
There are countless evening and weekend programs presented by student organizations and the Campus Activities Team, all by students for students. We’ll also get you involved in the city through volunteer opportunities during events such as the Thanksgiving Day parade, Winter Blast and Detroit Grand Prix, or on campus in the Warrior Zone at football games. Find details about these and other student life activities at doso.wayne.edu.

For up-to-date information about campus happenings such as guest lectures, athletic events and planetarium shows, bookmark events.wayne.edu.
True Warriors: Athletics at WSU

During the 2016 calendar year, Wayne State University athletic teams had many successes on the field of play. The women’s swimming and diving program won its seventh straight conference title and finished in the top seven at nationals for the ninth consecutive season, while the men’s swimming and diving squad has won the GLIAC title nine of the last 14 years and has finished in the top eight at NCAAs 11 of the last 12 seasons. The softball team won its fifth consecutive GLIAC Tournament and competed in the NCAA Tournament for the 10th time in the last 11 years. Softball pitcher/outfielder Lyndsay Butler (pictured above) was voted the National Player of the Year by the softball coaches association. The football team was ranked in the top 25 nationally and senior Nate Theaker was named the league’s Offensive Lineman of the Year.

Founded in 1918, the Athletics Department has just over 400 student-athletes competing in intercollegiate sports who contributed 12,435 hours of community service last academic year. In the annual overall rankings of athletic programs, WSU has finished in the top 12 percent of the country for 12 of the last 14 years. During 2015-16, the department had 23 All-Americans.

Get in the game yourself by visiting rfc.wayne.edu to see the wide variety of intramural and club sports available to all students, ranging from dodgeball and soccer to rugby and lacrosse. Hosting full-season leagues and one-day contests, the fully equipped Mort Harris Recreation and Fitness Center offers plenty of ways to compete.

We’ve got spirit!
Wayne State’s official student section promotes spirit and sportsmanship at athletic events. They lead cheers and chants on game days and help create a home field or home court advantage. The Warrior Zone extends beyond athletic events as members show their Warrior Pride on and off campus.

NCAA strong
Football Saturdays? Yeah, we’ve got that. Check out wsuathletics.com for details about all of WSU’s athletic programs, which (with the exception of fencing) compete in the Great Lakes Intercollegiate Athletic Conference.

SHOW YOUR TRUE COLORS
Football Saturdays, Warrior Wednesdays, Thursdays in the D — you’ll want to show your WSU pride nearly every day of the week. Start your search for shirts, sweats, hats and more at the WSU Bookstore (see page 32). Officially licensed apparel is also available across metro Detroit at every Campus Den and Rally House location, and downtown at the Nike Community Store on Woodward. Plus you and your family can snag green-and-gold gear online at shop.undergroundshirts.com or themittenstate.com.
Mort Harris Recreation & Fitness Center

You are already paying for access to the Mort Harris RFC in your tuition so come in and see us!

Your fitness center comes equipped with:
- Two full multipurpose courts, basketball, volleyball, dodge ball, floor hockey and more
- Strength and cardio equipment, free weights, personal training
- Four fitness studios with over 40 hours each week of group fitness classes
- Women’s only workout area
- Climbing wall
- Bike rentals
- Full locker rooms
- One of the largest employers of students on campus
- Freshmen Quests LFA2560
- Club sports (WSU students competing against other universities, but not at the varsity level)
- Intramurals (WSU students competing against other WSU students), IMleagues.com/wayne
- Locker rentals
- Towel service
- Fitness and sports equipment check out
- High ropes course & indoor track
- Lounge areas with WIFI
- Adventure trips; whitewater rafting, skiing/snowboarding, skydiving, kayaking, climbing

Live and learn in one place

Are you planning to live on campus? We hope so. It’s a great way to meet people and make the most of your time at Wayne State. Our three residence halls are situated in the heart of campus, just steps from class, the library, the Student Center and more. Ghafari Hall, Atchison Hall and the Towers Residential Suites all offer:

- Housing for freshmen as well as upperclassmen.
- Fully furnished rooms in a range of occupancies with private baths.
- Academic and social programming.
- Leadership opportunities.
- Designated special interest floors with study rooms and social lounges.
- Free cable and Wi-Fi throughout each building.
- Live-in Community Directors and student Resident Assistants.
- Completely smoke- and tobacco-free environment.
- Fully equipped laundry facilities.
- Staffed 24-hour reception desk with OneCard access system.
- Food court-style eateries, including a vegan, vegetarian and kosher dining facility.

To secure your spot on campus:
1. Visit housing.wayne.edu and complete the online Housing Application and License Agreement.
2. Submit a $125 nonrefundable application fee.
3. Watch for email and postal communications from the housing office about financial aid, payment plans, roommates, move-in and other important information.
There’s a meal plan perfectly fit for you.

Find your perfect plan at dining.wayne.edu.

Contact dining@wayne.edu or 313.577.9953.
Student Center Building, Suite 752.
MORE THAN JUST A STUDENT ID...
YOUR ALL ACCESS PASS TO WSU!

Your OneCard is a multipurpose ID that:
- Gets you free access to athletic events
- Saves you money on parking
- Lets you print on campus
- Swipes you into the dining halls
- Lets you check out a book at the library
- Gets you into your residence hall
- Saves you money at select retailers
- And much more!

Your WSU OneCard

The WSU OneCard is a multipurpose identification card and debit card all in one. It is a convenient, easy-to-use card designed to give students access to a variety of campus services, including parking, library copying and printing, food and book purchases, and more, all without having to use cash. You’ll also use your OneCard to access facilities such as residence halls and the rec center, as well as to catch a ride on the complimentary campus shuttle. Learn more at onecard.wayne.edu.

You may use your OneCard to:
• Access parking lots and structures.
• Enjoy all-you-care-to-eat dining at Towers Café or Gold ‘n’ Greens.
• Check out reference materials at a WSU library.
• Enter your residence hall.
• Work out at the Mort Harris Recreation and Fitness Center.
• Have lunch in the Student Center food court.
• Pull an all-nighter at the UGL in the 24-hour study lab.
• Buy books at the WSU Bookstore.
• Purchase a Pepsi from a vending machine in State Hall.
• Grab a cup of coffee at Starbucks.
• Make copies and print in a computer lab.
• Take a placement exam at Testing and Evaluation.
• Purchase concert tickets in the Dean of Students Office.
• Wash your clothes in a campus laundry room.
• Get deals from businesses through Show Your OneCard and Save: shops.wayne.edu/show-your-onecard.php.

Adding funds
There are several ways to add funds (up to $500 at a time):
• On Academica, under WSU Resources, click on University Resources, then on Access OneCard Account. Once you are in the payment portal, click on Deposit to OneCard. Enter your ID number, credit card information and the amount of money you would like to deposit. The minimum amount that can be deposited is $15 and the maximum amount is $500. Funds deposited online are available within 10-15 minutes.
• In person, with a check or money order at the OneCard/Parking Service Center in room 257 of the Welcome Center. Funds deposited by check or money order are available the next business day.
• Cash System Value Terminals (CSVT) in locations across campus allow you to add value to your OneCard using cash. Simply insert your OneCard into the machine, select the deposit function, and deposit your cash. Denominations of $1, $5, $10 and $20 are accepted. CSVTs do not give change.

What if you lose your OneCard?
Lost or stolen cards should be deactivated immediately by logging into Academica, clicking University Resources, then Access OneCard Account. Once you are in the OneCard portal, click on Lost/Stolen Card. During regular business hours, you can call the OneCard/Parking Service Center at 313-577-CARD. To get a new card, visit the OneCard office in room 257 of the Welcome Center to complete the replacement card form and pay a $20 fee.
What advice would you give your younger self? That’s the question we asked current Wayne State students and recent graduates who came to Midtown from near and far to study everything from theatre to biology. If you’re looking for inside information about how to succeed in class and make the most of your time on campus, take it from these Warriors — and look for more advice throughout this guide at the start of each section.

Find a group of people to spend most of your time with and who lift you up. Because of the group of friends I’ve found, I volunteer a lot and work harder. They’ve helped me stay more focused and connected to the university.

Logan Tillman
Kinesiology
Ann Arbor, Michigan
Class of 2019

Wayne State is strong in diversity. Don’t be afraid to surround yourself with new people and ideas, and don’t be afraid to get involved in the organizations and activities that focus on the things that you’re passionate about.

Emily Kelly
Nutrition and Food Science
Macomb, Michigan
Class of 2018

Don’t be afraid of challenges you may face because I guarantee that with focus and determination, you can accomplish anything.

David Torres
Graphic Design
Detroit
Class of 2017

It is very important to stay connected with your advisor. They help you stay on track with your classes, they provide information about research and seminar opportunities, and they help with those small details about registration that you might’ve missed.

Deja Moore-Grant
Psychology
Detroit
Class of 2017
Tutoring is a great way to get perspective on the coursework and practice the skills you’ve learned firsthand. At WSU, tutoring opportunities take you from understanding to confidence to success!

**James Mallare**  
Community Health Education  
Windsor, Ontario  
Class of 2018

I feel safe on campus because I know I can count on our police department any time of the day. I usually walk with a group of friends, but if I’m on campus late at night, I can rely on the police to escort me to my car.

**Molly Sute**  
Public Relations  
Brownstown, Michigan  
Class of 2019

The diversity of Wayne State’s campus is incredible. As an international student, the WSU community didn’t just make me feel welcome, included and comfortable. It also provided me with limitless opportunities to connect with wonderful and unique individuals from all over the world — people who I get to learn from and share experiences with every single day.

**Marah Wahbeh**  
Biological Sciences  
Amman, Jordan  
Class of 2017

As an acting major, I have realized that I am rarely satisfied with my work. However, the challenge of pursuing my passion is so worth it when I do come home satisfied and I can walk away from my classes and rehearsals knowing I am at least a little closer to perfecting my craft.

**Patrick Roache**  
Theatre  
Detroit  
Class of 2018
Parking on campus

You’ll probably hear a lot about parking at Wayne State. In fact, parking is likely to be at a premium at any university situated in the middle of a bustling city. However, parking at WSU can be very easy. Even when the closest structures and lots are full, there is plenty of perimeter parking with free shuttle service available.

The best way to approach parking, and the method that will give you the most peace of mind, is to purchase a semester-long assigned parking pass ($287 for most structures, or $369 for premium parking*). This allows unlimited entry and access to a designated structure or lot, which you’ll choose based on availability and where you spend most of your time on campus. Students who live on campus with vehicles must be in the semester parking program.

Each new parking pass customer will pay a one-time fee ($25*) for an RFID tag, which hangs from your rearview mirror to allow for quick, hands-free entry and exit. The hang-tag is linked to your OneCard and all current (and future) parking assignments, so hold on to it throughout your WSU career, even if you take a semester off from assigned parking.

General parking is another option, allowing you to pay as you go, with access to any of the general student parking areas. Deposit funds to your OneCard for easy in-and-out access and to take advantage of the discounted student OneCard parking rate of $3.75* ($4.75* for premium parking areas). The general public may park in designated WSU lots and structures at the daily public rate, typically around $7.50-$10*, using a credit/debit card for entrance and exit and cash at limited locations.

Visit parking.wayne.edu or use the Wayne State mobile app to see up-to-the-minute availability of open spots. See ad on page 56.

To purchase a pass or get more information, visit parking.wayne.edu and click the Student Parking tab or go to the OneCard/Parking Service Center in room 257 of the Welcome Center.

*Based on 2016-17 academic year rates; subject to change.

Campus shuttles

Wayne State offers a complimentary shuttle service that allows you to get from one part of campus to another simply by showing your OneCard.

The mini-buses are marked and run in approximately 15-minute intervals Monday-Friday from 7 a.m.-7 p.m. on main campus, and in approximately 30-minute intervals Monday-Friday from 7 a.m.-9 p.m. on the medical campus. Hours are reduced during spring/summer semester. A weekend shuttle service is offered, with buses running from main campus to downtown Detroit on Friday and Saturday nights from 9 p.m.-2:30 a.m., excluding holiday weekends and spring/summer semester.

Main campus and medical campus shuttle stops are labeled and near the following buildings and parking lots:

- University Towers
- Engineering Building
- Faculty/Administration Building
- IBio Building
- One Ford Place (Henry Ford transfer stop)
- Parking Lot 11
- Law School/Cohn Building
- State Hall
- Old Main
- Parking Lot 60
- Parking Lot 71
- Scott Hall (medical shuttle)
- Applebaum Pharmacy and Health Sciences Building (medical shuttle)

Visit parking.wayne.edu/shuttles for detailed route information for the main and medical campus shuttles as well as the weekend service.

Interested in getting around campus the fun and fit way? Find details about cycling logistics at parking.wayne.edu (follow the Transportation Options link). If you don’t have a bike of your own, consider renting one from the Mort Harris Recreation and Fitness Center (see page 53).

Eating at WSU

You have plenty of dining options at WSU. You could grab a quick bite in the Student Center Building at Taco Bell, Panda Express, Wingstop, Bene Pizza, Grille Works or Starbucks. Other campus favorites include Dunkin’ Donuts, Subway, Jimmy John’s, Freshii, the Ghafari Hall Starbucks, Einstein Bros. Bagels and Einstein Bros. Bagels Express at the Law School. There are also others such as Al-Basha Subs, the Halftime Cafe at the School of Medicine, Starbucks in the WSU Bookstore and Mid City Grill in Parking Structure 8 on Forest. Use your OneCard at all of them!

If you’re looking for lots of delicious, healthy choices, head to one of WSU’s two dining halls. You don’t have to live on campus to purchase a meal plan.

Towers Café in the Towers Residential Suites: This all-you-care-to-eat breakfast, lunch and dinner dining facility was recently renovated and offers a variety of options, including a brick pizza oven, Mongolian grill, homestyle favorites, international entrees, sandwich and salad bars, dessert stations, halal options and more.

Gold ‘n’ Greens in Ghafari Hall: A unique dining experience that is certified kosher dairy (non-cholov yisroel) featuring vegetarian fare. Diners also have vegan and gluten-free options — all prepared with care and full of flavor.

Find weekly menus for both dining halls at dining.wayne.edu and on the WSU mobile app. Feel free to pop in without a meal plan. Both locations accept cash, credit, Warrior Dollars or OneCard payments.

For study sessions that stretch long past sundown, check out the late-night option in the lower level of the Student Center Building. It serves up a variety of options to curb your late-night hunger every Sunday through Thursday. Use your meal plan, cash, credit, Warrior Dollars or OneCard to pay.

Meal plans

Semester meal plans can be purchased through the Office of Housing and Residential Life website. Students who live in the residence halls are required to purchase a meal plan, but those who commute often do as well — the convenience and variety can’t be beat!

Warrior Dollars can only be used at on-campus food vendors run by WSU Dining Services, including Panda Express, Wingstop, Starbucks, Dunkin’ Donuts, Freshii, Einstein Bros. Bagels, Einstein Bros. Bagels Express, Subway, PODs and more. For details, visit housing.wayne.edu, click Campus Dining and choose Meal Plan Options.

Protect Your Campus

Title IX is a federal law that prohibits sex discrimination in education. Sex discrimination includes sexual assault, sexual harassment, domestic violence and stalking.

WSU’s Sexual Harassment, Sexual Assault and Discrimination policies apply to all members of the University community-faculty, staff and students.

Report Sexual Harassment/Sexual Assault

Wayne State Police ——— 313-577-2222
Office of Equal Opportunity ——— 313-577-2280
Dean of Students Office ——— 313-577-1010

Dean of Students David Strauss is the Title IX deputy coordinator for students

Anonymous Tip Hotline ——— 313-577-5138
Read your textbook before and after class, but don’t highlight until after the lecture so you know what the teacher wants stressed. After highlighting, use all your resources (including your class notes and the professor’s slides) to go further in-depth and gather a better understanding of the material. Don’t be afraid of spending too much time on one subject — it will only help you.”
Wayne State University’s story begins in 1868 with the founding of the Detroit Medical College, now the School of Medicine. In 1881, the Detroit Normal Training School was established, which is now the College of Education. The now-iconic Old Main Hall was built in 1896 as Central High School, which began adding college classes in 1913. Those classes evolved into the Detroit Junior College (offering a two-year general education program) in 1917, which became the College of the City of Detroit (with four-year degree programs) in 1923, and now is the College of Liberal Arts and Sciences.

In 1924, the College of Pharmacy was organized, and six years later the first regular graduate courses were offered in liberal arts and education. Frank Cody became the first president in 1933, with the existing colleges united into a university organization, eventually named Wayne University, taken from Wayne County in honor of General Anthony Wayne.

Wayne University continued to grow, adding the School of Social Work, the Law School, and the School of Business Administration, now the Mike Ilitch School of Business. In 1956, it was renamed Wayne State University. In 1963, Wayne State was designated one of Michigan’s three constitutionally established universities.

Vision
Wayne State University will be a pre-eminent, public, urban research university known for academic and research excellence, success across a diverse student body, and meaningful engagement in its urban community.

Mission
Wayne State’s mission is to create and advance knowledge, prepare a diverse student body to thrive, and positively impact local and global communities.

Values
Wayne State’s values cut across organizational boundaries, bind the institution culturally, and permeate all strategic and tactical initiatives. They include: collaboration, innovation, integrity, diversity and inclusion, and excellence.

Strategic focus areas
Wayne State’s 2016-2021 Strategic Plan concentrates on achievement in seven interdependent areas:
- Student success
- Teaching excellence
- Research
- Diversity and inclusion
- Entrepreneurship
- Financial stability and operational excellence
- Community engagement

By 2021, Wayne State will be a thriving, bustling institution where every student has a clear pathway to academic and career success and the opportunity to flourish in a diverse, collaborative, innovative environment. Through its urban-focused research and community engagement, WSU will be recognized nationally and globally both as a leader in the revitalization of Detroit and in implementing innovative academic methods that enable all students, regardless of background, to progress in a timely fashion to degree attainment.
THE LIVING ROOM OF CAMPUS

The Student Center is more than a place to grab a bite to eat or attend a meeting. Take a break from studying and shoot some pool or play table tennis in the game room. You can also grab a coffee and head to one of the comfortable lounges with friends.

The Student Center is home to many of the resources that help you during your college experience. Stop in and take advantage of the many departments here to help you be successful.

Inside the university

You know, of course, that you’re at college. But did you know that Wayne State University is made up of 13 different colleges and schools? This is how similar degree programs are grouped together in a logical manner. Those schools and colleges are:

- Mike Ilitch School of Business
- College of Education
- College of Engineering
- College of Fine, Performing and Communication Arts
- Graduate School
- Irvin D. Reid Honors College
- Law School
- College of Liberal Arts and Sciences
- School of Library and Information Science
- School of Medicine
- College of Nursing
- Eugene Applebaum College of Pharmacy and Health Sciences
- School of Social Work

In addition, Wayne State is affiliated with many centers and institutes, where you may choose to gain experience in your area of study.

Business
- Institute for Leadership and Diversity (ILEAD)

Education
- Center for School Health
- Institute for Learning and Performance Improvement
- Institute for the Study of the African American Child

Engineering
- Bioengineering Center
- Center for Automotive Research

Law
- Damon J. Keith Center for Civil Rights
- Levin Center at Wayne Law

Liberal Arts and Sciences
- Center for Excellence and Equity in Mathematics
- Center for the Study of Citizenship
- Confucius Institute
- Douglas A. Fraser Center for Workplace Issues
- Labor Students Center

Medicine
- C.S. Mott Center for Human Growth and Development
- Cardiovascular Research Institute
- Center to Advance Palliative-Care Excellence
- Ligon Research Center of Vision

Social Work
- Center for Social Work Research

University Centers

Academic
- Center for Latino/a and Latin American Studies
- Center for Peace and Conflict Studies
- Center for Urban Studies
- Cohn-Haddow Center for Judaic Studies
- Developmental Disabilities Institute
- Humanities Center

Research
- Barbara Ann Karmanos Cancer Institute
- Center for Molecular Medicine and Genetics
- Institute of Environmental Health Sciences
- Institute of Gerontology
- Merrill Palmer Skillman Institute
Lucky you — you’ve just become a student in a city electric with possibility. Going to class is your key concern, but when you’re not hitting the books, consider hitting the town. We could write an entire guide about having fun in Detroit (others have — look them up!) but to get you started, here are some ways we think you’ll enjoy savoring and seeing your new neighborhood.

**PLACES TO EAT**

Residence Hall Association (RHA) is a student-run organization focused on promoting community building, proposing policy changes, and creating an open forum between students and the housing staff. Think student government but for your residence hall! RHA is dedicated to enhancing the on-campus living experience and providing great services to residents. Lil’ Sibs Weekend and The Aim Higher Leadership Conference are hosted every year by RHA as well as many other community builders and events.

Follow us on social media for news about campus events!
fb.com/waynestateRHA | twitter: @WayneStateRHA | instagram: WayneState_RHA
Part One of New Student Orientation is over. Now what?

1. To make sure you get important messages, set up your WSU account, including email. For details, visit tech101.wayne.edu.

2. Check your Wayne State email and sign up for alerts at broadcast.wayne.edu. These are the key ways the university will communicate with you.

3. Submit your housing application. If you plan to live on campus in a Wayne State apartment or residence hall, you must complete an application. Visit housing.wayne.edu to apply today.

4. Find a Learning Community that fits your needs. You’ll join a team of like-minded students and be led by an upperclassman peer mentor, working together toward course or program goals. You’ll support each other in study groups and activities outside the classroom. There is no additional charge beyond standard tuition. Learn more at lc.wayne.edu.

5. Learn how to navigate Blackboard. This online resource connects you to your professors and classmates. You’ll find your syllabus, textbook requirements and homework assignments here. Log on to blackboard.wayne.edu with your AccessID and password, then scroll to the bottom of the page to take a free, self-paced online tutorial.

6. Purchase your parking pass for the upcoming semester. Parking passes are available for purchase approximately one month before the start of each semester. Get more information online at parking.wayne.edu.

7. Pay your tuition and fee bill. This bill is due on August 15 for the fall 2017 semester and on December 15 for the winter 2018 semester. It can be paid online through Academica or in room 217 of the Welcome Center.

8. Attend Orientation Part Two – O2 on August 28-29. Incoming freshmen are required to attend both days, and transfer students are welcome to participate. We’ll send you off to start your first year with a round of applause at New Student Convocation and celebrate during the annual FestiFall event.

9. Ready, set, go! You’ve got everything you need for a successful year. Take a deep breath, focus on the road ahead and enjoy!

10. Check the Orientation stream in Academica to connect with other incoming students, ask questions and stay informed.
Wayne State is a smoke- and tobacco-free campus.

Contact 313-577-2424 for WSU general campus information or 313-577-9973 for assistance with accessibility at WSU
Step out of your comfort zone and meet someone new each month. But I challenge you to meet a new person each week. It could be a classmate or someone in the UGL or anywhere on campus. It will help your school experience and your grades. New experiences and points of view keep you out of a funk and you also will have a new friend on campus you can go to whenever you need to!"
The following is a four-year plan designed to assist you in creating your schedule, so that you take courses in the correct sequence and follow prerequisite requirements. This four-year plan does not replace the plan of work specific to your major. Work with your academic advisor to develop your own plan of work to help with degree completion, as well as to migrate this paper plan into Degree Works: wayne.edu/degreeworks.

</table>
What will it cost?

**Step 1**

How many credit hours will I take?
Use the online tuition calculator at [apps.reg.wayne.edu/tuition](apps.reg.wayne.edu/tuition).

\[
\text{Credits per semester} \quad \times \quad \text{Tuition and fees} \quad \times \quad \text{two semesters} = \underline{\text{Total cost}}
\]

**Step 2**

What will I spend on living expenses?
Use the rate chart for your room and meal plan at [housing.wayne.edu/rates.php](housing.wayne.edu/rates.php).

\[
\text{Housing cost or rent for fall and winter} + \text{Meal plan or groceries} + \text{Utilities and/or phone bill} + \text{Transportation and parking} = \underline{\text{Total living expenses}}
\]

**Step 3**

How much financial aid will I receive?
Log on to Academica. In the WSU Resources menu, select Student Resources. In the Student Resources menu, select Financial Aid, then My Award Information. Next, select the 2017-18 aid year, then click on Award Overview.

\[
\text{Grants for fall and winter} + \text{Scholarships} + \text{Student loans} = \underline{\text{Total aid}}
\]

**Step 4**

Will I need more funds or will I get a refund?

\[
\text{Tuition and fee total} + \text{Total living expenses} + \$1,200 = \underline{\text{TOTAL COSTS}}
\]

\[
\underline{\text{TOTAL COSTS}} - \underline{\text{Total aid}} = \underline{\text{Balance}}
\]

If the amount in the box is a negative number, you will receive a financial aid refund, which you may use to pay for other educational costs. If you don’t need these funds, consider borrowing less or not borrowing.

If the amount in the box is a positive number, you will need either an installment payment plan or additional financial resources, which may be a federal student loan or a Federal Parent PLUS Loan. Review payment plans at [wayne.edu/bursar/payment/installment-plans](wayne.edu/bursar/payment/installment-plans).
Your financial aid plan

A good academic plan — which is a roadmap that leads to graduation within four years — includes knowing the amount of financial aid that may be available. Reminder: Graduation within four years requires completing 15 credits each semester.

### PLAN NOW FOR GRADUATION

Grade level is determined by the number of completed credits: Freshman 0-28.99; Sophomore 29-55.99; Junior 56-87.99; Senior 88+.
Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. FERPA gives parents certain rights with respect to their children’s education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Generally, schools must have written permission from the parent or eligible student in order to release any information from a student’s education record. To complete the form online, visit reg.wayne.edu and click on Forms in the menu under Student Help.
REVERSE TRANSFER - Transcript Request Form

Mailing Address: Office of the Registrar
ATTN: Colleen McIlwain
5057 Woodward, Fifth Floor
Detroit, MI 48202

In-Person Address: Student Services Center
42 West Warren, First Floor
Detroit, MI 48202

TRANSCRIPT HANDLING INSTRUCTIONS

Please mail my transcript to:________________________________________

(Name of community college)

Requests completed using this form will be sent automatically to the attention of the Reverse Transfer contact.

FERPA Statement:
The federal Family Educational Rights and Privacy Act (FERPA) of 1974 protects the privacy of student educational records, including transcripts, by placing certain restrictions on the disclosure of that information. As a result, your written authorization is required in order for Wayne State University to release your educational records to facilitate the reverse transfer credit agreement.

Authorization:
I authorize the release of my academic records maintained by Wayne State University to the community college; and the release of my academic records maintained by said community college to Wayne State University without prior notice and for the purpose of credit evaluation to determine the awarding of an associate degree or other credential of value. I understand that I have the right to rescind this authorization at any time by notifying the Office of the Registrar of Wayne State University in writing of my decision. I understand that such revocation will not affect any disclosures previously made before receipt of any such written revocation.

My signature below is agreement that:
• I understand the FERPA statement and the authorization, and agree to my student records being shared between Wayne State University and the community college for the purpose of credit evaluation to determine the awarding of an associate degree.
• If applicable, an appropriate associate degree will be awarded based on my records, requirements of the degree, and credits toward degree. The awarded associate degree may not be the degree I was pursuing while a student at the community college.
• If it is appropriate to award an associate degree, my signature below gives permission to the community college to award the degree and notify me of the results without further intervention on my part.

Student Signature X  Date

Most transcript requests are processed within one (1) business day of receipt. Your signature on this form authorizes the release of your transcript as well as our ability to communicate with you about this request via e-mail or phone. Forms without signatures will not be processed. Students are responsible for providing accurate address information for recipients.

*When possible, official transcripts will be transmitted electronically. Recipients will receive an email with instructions for retrieval.

Lenses of Diversity

Please take a minute to answer the following, adding details as you see fit:

1. What community are you from — urban, suburban, rural?

2. What birth order are you in your family?

3. Are you a first-generation, second-generation or third-generation college student?

4. Are you commuting to WSU or will you be living on campus?
Hymn to Wayne

To thee, our Alma Mater,
Homage we bring.
Brave hearts raise grateful voices
Thy praise to sing.
Young art thou, young and strong;
Renowned shalt thou live, and long;
Honors to thee will throng —
And Fame to thee cling.
We laud thee, Alma Mater,
Guardian of Right.
Thou art our guide, our mentor —
Thy name shines bright.
Keep Learning’s light a flame,
And hold Truth a sacred name,
Honor, thy steadfast aim.
All hail to thy might.

(Nicholas Stanley Oates ’29)

WSU Victory Song

The Green and Gold of old Wayne U.
flies over the field today.
Our hearts are light for with our might
A vict’ry is on its way.
The team is strong, for them we’ll cheer,
Wayne U. will march along.
And at the end our voice blend
in Wayne U.’s vict’ry song.

(Don Gragg)
Interested in a career in health care?

The WSU Pre-Med and Health Science Center will help you get there!

Pre-med and health science advisors work with students to provide prerequisite advising, professional preparation, and application support for a wide range of competitive programs, including:

- Medical
- Dental
- Veterinary medicine
- Pharmacy
- Physician assistant studies
- Nursing
- Allied health professions, such as physical and occupational therapy, radiation sciences, mortuary science and pathologist assistant studies

Services:

- Workshops and programs
- Informational meetings
- One-on-one advising appointments
- Letters of recommendation file service
- Social networking across Facebook, Twitter, websites and blogs

In addition, we work to connect students with important campus resources, including:

- Undergraduate research
- Student organizations
- Academic support
  - Academic Success Center
  - Chemistry Learning Center
  - Math Resource Center
  - Writing, Research & Technology Zone

FALL '17 FRESHMAN PRE-MED CHECK-UPS will be available throughout the summer for students who have attended orientation. Meet with a pre-med advisor for an information session and Fall 2017 schedule check. To review Check-Up dates and RSVP, visit go.wayne.edu/premed-freshmen.
