

Dear Student –

I notice that you have not yet registered for the Winter 18 term. Given how close you are to completing your degree requirements, I want to encourage you to complete this process as soon as possible. If you have questions or other concerns that need addressing before scheduling, I am here to assist you as much as possible or get you connected to the right department for help. Just let me know what you need.

Also, If this is your last term at WSU, congratulations Warrior! Don't forget to take that big step of applying for graduation through Academica. You might also want to schedule a final graduation audit with me in the near future
