If you have not attended Wayne State for several years, it possible that you will be unable to register for classes until your record has been updated. Complete this form and deliver it or fax it to the Office of the Registrar. In researching your record, we will apprise you of any hold we find and advise you on the procedure for clearing them. In some cases, this may involve you consulting with other offices on campus before this form can be processed. If we have questions, we will be in touch with you either by phone or e-mail.
