

Transfer Pathway Planning Guide  
Catalog Year 2024-25

Community College WSU College/School Major Degree/Credits	<b>Henry Ford College (HFC)</b> <b>Eugene Applebaum College of Pharmacy and Health Sciences</b> <b>Applied Health Sciences General Concentration</b> (degree completion) <b>Bachelor of Science (BS) / 120 credits</b>
--	---

Achieving your goal of obtaining a four-year degree is attainable through the collaborative effort of HFC and WSU. Begin your journey by earning an associate degree at HFC, followed by a seamless transition to Wayne State for the completion of your bachelor's degree. Throughout this academic pursuit, you have the opportunity to embrace the diverse experiences and communities offered by both campuses.

**Henry Ford College (HFC)**

<i>Program/Major (Degree)</i>	<i>Credits (min.)</i>
Associate in Science (AS)	60
Associate in General Studies (AGS)	60
<a href="#">Firefighter/Paramedic</a> (AAS)	71
<a href="#">Fitness Leadership</a> (AAS)	60

### Eugene Applebaum College of Pharmacy and Health Sciences

Admission to one of the professional programs in the College is selective and not guaranteed. Please attend an information meeting to learn about requirements, how admission decisions are made, and how to be a competitive applicant.

Information meetings are designed to help prospective students answer questions about the educational opportunities available in the Eugene Applebaum College of Pharmacy and Health Sciences. They are held the first Tuesday of each month at 6 p.m. [Wayne State University - Eugene Applebaum College of Pharmacy and Health Sciences](#)

### Wayne State electives

Consider electives additional opportunities for you to gain marketable skills like critical thinking, leadership and communication. These skills build a strong foundation for long-term career success. Defined broadly, career learning includes, but is not limited to, the following:

- Interdisciplinary project-based learning and field work
- Internships, micro-externships, and co-ops
- Global experiences/education abroad
- Community service learning
- Team-based solutions, oriented experiences
- Research in the field and in lab settings
- Alumni and professional mentoring, job shadowing and other developmental experiences
- Entrepreneurship and other business development opportunities

### Notes

- You can review how courses transfer using the [course equivalency tool](#) for other acceptable equivalences. For a self-service, customized WSU degree audit, please visit <https://wayne.edu/transfer/tess>
- Wayne State requires a minimum of 30 credits in residency.
- The pathway allows multiple associate degree options with the flexibility to customize your degree path. The minimum eligibility to participate in the Wayne State Transfer Pathways is a cumulative GPA of 2.5 or above, Michigan Transfer Agreement (MTA), and an associate degree (earned or Reverse Transfer). See [transfer credit guidelines](#).
- All college-level (non-developmental), non-duplicated courses with a 2.0 (C) grade point average (GPA) or above will be considered for transfer credit. Earned credit will transfer as 1) direct course equivalency, 2) major/department credit, or 3) elective credit. Credits not earned at HFC will need to be taken at WSU.
- These pathways do not replace the importance of HFC and Wayne State academic advising. The pathway provides a general roadmap to degree completion.
