Eugene Applebaum College of Pharmacy and Health Sciences

Admission to one of the professional programs in the College is selective and not guaranteed. Please attend an information meeting to learn about requirements, how admission decisions are made, and how to be a competitive applicant.

Transfer Pathway Planning Guide Catalog Year 2024-25

Information meetings are designed to help prospective students answer questions about the educational opportunities available in the Eugene Applebaum College of Pharmacy and Health Sciences. They are held the first Tuesday of each month at 6 p.m. [Wayne State University - Eugene Applebaum College of Pharmacy and Health Sciences](#)

Wayne State electives

Consider electives additional opportunities for you to gain marketable skills like critical thinking, leadership and communication. These skills build a strong foundation for long-term career success. Defined broadly, career learning includes, but is not limited to, the following:

- Interdisciplinary project-based learning and field work
- Internships, micro-internships, and co-ops
- Global experiences/education abroad
- Community service learning
- Team-based solutions, oriented experiences
- Research in the field and in lab settings
- Alumni and professional mentoring, job shadowing and other developmental experiences
- Entrepreneurship and other business development opportunities

Notes

- You can review how courses transfer using the [course equivalency tool](#) for other acceptable equivalences. For a self-service, customized WSU degree audit, please visit <https://wayne.edu/transfer/tess>
- Wayne State requires a minimum of 30 credits in residency.
- The pathway allows multiple associate degree options with the flexibility to customize your degree path. The minimum eligibility to participate in the Wayne State Transfer Pathways is a cumulative GPA of 2.5 or above, Michigan Transfer Agreement (MTA), and an associate degree (earned or Reverse Transfer). See [transfer credit guidelines](#).
- All college-level (non-developmental), non-duplicated courses with a 2.0 (C) grade point average (GPA) or above will be considered for transfer credit. Earned credit will transfer as 1) direct course equivalency, 2) major/department credit, or 3) elective credit. Credits not earned at HFC will need to be taken at WSU.
- These pathways do not replace the importance of HFC and Wayne State academic advising. The pathway provides a general roadmap to degree completion.
