

**Purpose**

The purpose of this transfer plan is to list the Henry Ford College (HFC) courses that are required for a Bachelor of Science in Business Administration (BSBA) at Wayne State University. This is not a complete listing of the coursework necessary to earn a degree from Wayne State University. This transfer plan is effective beginning in Fall 2019.

**Requirements**

The undergraduate program requires a minimum of 120 credit hours through five types of courses: business foundation, core, major, university general education requirements and elective courses. **The BSBA does not have a foreign language requirement.**

WSU **strongly** recommend that all transfer students **fulfill their general education requirements through the [Michigan Transfer Agreement \(MTA\)](#) before transferring to WSU.** Each community college has an MTA approved course list of its own, so please refer to the list of courses that your respective community college has approved for MTA. If you do not have an MTA or MACRAO endorsement, you can transfer each course from the WSU's gen ed category here: [Michigan Community College General Education Tables](#).

Students must fulfill requirements for the college/major of interest below. If interested in transferring in more than 64 credits from HFC, WSU has an [articulation agreement](#) with HFC for the Business program. Please ask your advisor on how to participate under this agreement.

**A minimum 2.5 GPA and 54 credits is required to enroll in 3000 level or higher Business Core and Major courses at WSU**  
**A minimum grade of "C" (2.0) is required for any course to transfer into WSU**

**Majors**

Students may choose from six undergraduate majors: Accounting, Finance, Global Supply Chain Management, Information Systems Management, Management, and Marketing.

**Advising**

Specific course requirements vary by major area of study. You are strongly encouraged to work with a Wayne State Academic Advisor to create an academic plan for your degree.

**Additional Requirement for Bachelor of Arts in Administration (BABA)**

**DEGREE REQUIREMENTS** are the same as for the Bachelor of Science, cited above, with the additional requirement that a student must attain a level of proficiency in a single foreign language equivalent to the completion of eleven credits through university-level course work or placement by examination administered by the University's Department of Classical and Modern Languages, Literatures and Cultures. In some instances, completion of the Bachelor of Arts foreign language requirements may result in course work beyond the 120 credit minimum.
