

This transfer plan will help guide you in making the transition from community college to Wayne State University. **WSU strongly recommends that all transfer students meet with an WSU advisor to ensure that you are taking the correct courses before transferring.** Below is advisor contact information you can use to set up an appointment:

Nora Alhussainy, cj2925@wayne.edu, 313-577-6831
 Antoinette Cunningham, fv0926@wayne.edu, 313-577-0185

One of the main areas of focus for transfer students are the **WSU General Education Requirements** (see: <https://bulletins.wayne.edu/undergraduate/general-information/general-education/>). These are required classes that will help you develop fundamental academic skills and receive a well-rounded education. There are two ways that transfer students can meet these requirements:

Michigan Transfer Agreement (MTA)

A student whose community college transcript is endorsed as "MTA satisfied" has completed WSU's General Education Requirements. See here for specific MTA information and courses that qualify for MTA: <https://catalog.hfcc.edu/degrees/gen-ed>

Direct Course Equivalencies for each category

- If you do not have an MTA endorsement, you can transfer the courses below to meet each requirement.
- Choose **one** from each category **except** for the Natural Scientific Inquiry, which requires **two** courses.
- Courses with an **asterisk (*)** fall under more than one category, but these courses will fulfill only one category that would benefit the student most.
- **Bolded** courses are part of the major requirements for this degree. See under Major Requirements on page 2.
