Major Requirements:

Required courses for the Film Studies major are not available at Lansing Community College. Students may transfer courses that fulfill University General Education requirements from Lansing before or during their major course work at Wayne State University. Please consult an adviser in the Department of English at Wayne State University for a complete major plan.

This plan is based on the 2014-2015 Lansing Community College Catalog and the Wayne State University 2013-2015 Undergraduate Bulletin.

This plan is a guide for students who wish to begin their coursework at Lansing Community College and transfer into the Film Studies program offered by the College of Liberal Arts and Sciences at Wayne State University.

No more than 64 hours from a two-year school will apply toward a Wayne State University degree, though all earned hours which transfer will be listed on the Wayne State University student record.

Please see an academic advisor at Wayne State University for a complete major plan. Information about Wayne State University is available at www.wayne.edu or may be requested by calling 1-877-WSU INFO (1-877-978-4636).
