

This transfer plan will help guide you in making the transition from community college to Wayne State University. **WSU strongly recommends that all transfer students meet with a WSU advisor in order to ensure you are taking the correct courses before transferring.** Here’s the advisor contact information to set up an appointment:

Computer Science (Macomb & Oakland County): Colleen McKenney [colleen.mckenney@wayne.edu](mailto:colleen.mckenney@wayne.edu)  
 Computer Science (Wayne, Washtenaw & Monroe County): Stephanie Chastain [schastain@wayne.edu](mailto:schastain@wayne.edu)

One of the main areas of focus for transfer students is the **WSU General Education Requirements**. These are classes in addition to courses within your major that are required to ensure fundamental skills and a well-rounded education. There are two ways that transfer students can meet these requirements:

**Michigan Transfer Agreement (MTA)**

A student whose community college transcript is endorsed as "MTA satisfied" has completed WSU's General Education Requirements. See here for specific MTA information and courses that qualify for MTA:

<http://www.macomb.edu/resources/transfer-articulation/attachments/mta-macrao-course-list.pdf>

**Direct Course Equivalencies for each category**

- If you do not have an MTA endorsement, you can transfer the courses below to meet each requirement.
- Choose **one** from each category **except** for the Natural Scientific Inquiry, which requires **two** courses.
- Courses with an **asterisk (\*)** fall under more than one category, but these courses will fulfill only one category that would benefit the student most.
