

Transfer Plan for Oakland Community College
Pre-Medicine or Pre-Dentistry (Not an actual major – see under pre-requisites)
 College of Liberal Arts and Sciences

WSU **strongly** recommend that all transfer students **fulfill their general education requirements through the [Michigan Transfer Agreement \(MTA\)](#) before transferring to WSU**. Each community college has an MTA approved course list of its own, so please refer to the list of courses that your respective community college has approved for MTA. If you do not have an MTA or MACRAO endorsement, you can transfer each course from the WSU's gen ed category here: [Michigan Community College General Education Tables](#).

In addition to completing WSU's general education requirements through the Michigan Transfer Agreement (MTA): <http://catalog.oaklandcc.edu/graduation-requirements/michigan-transfer-agreement/>
 Students must fulfill requirements for the college/major of interest below (**no more than 64 credits from a two-year school will apply toward a Wayne State University degree**):

College of Liberal Arts and Sciences Requirements

Must complete a minor	For guidance, please see a WSU advisor for the minor you are interested in. Call 313-577-2487 to schedule an appointment.

Pre-Medicine/Dentistry Track Pre-Requisite Courses

The courses below represent the required coursework for most US medical and dental schools as well as the recommended courses necessary to prepare for entrance exams. Please note that pre-medicine and pre-dentistry are not actual majors. Pre-health advisors can help you select a major. Medical and dental schools recommend that a portion of these courses be taken at a four year institution. Students considering a transfer are strongly encouraged to attend an Information Session with the Pre-Med and Health Science Center.
