

This transfer plan will help guide you in making the transition from community college to Wayne State University. **WSU strongly recommends that all transfer students meet with a WSU advisor in order to ensure you are taking the correct courses before transferring.** Here’s the advisor contact information to set up an appointment:

- Biomedical Engineering: Namrata Murthy [nmurthy@wayne.edu](mailto:nmurthy@wayne.edu)
- Chemical Engineering: Tracy Castle [tfcastle@wayne.edu](mailto:tfcastle@wayne.edu)
- Civil Engineering: Elizabeth Hill [ekondrat@wayne.edu](mailto:ekondrat@wayne.edu)
- Electrical Engineering: Emily Reetz [ereetz@wayne.edu](mailto:ereetz@wayne.edu)
- Industrial Engineering: Gail Evans [gevans@wayne.edu](mailto:gevans@wayne.edu)
- Mechanical Engineering: Keith Wadley [keith.wadley@wayne.edu](mailto:keith.wadley@wayne.edu)
- Undecided: Casey Rue [crue@wayne.edu](mailto:crue@wayne.edu)

One of the main areas of focus for transfer students is the WSU **General Education Requirements**. These are classes in addition to courses within your major that are required to ensure fundamental skills and a well-rounded education. There are two ways that transfer students can meet these requirements:

**Michigan Transfer Agreement (MTA)**

A student whose community college transcript is endorsed as "MTA satisfied" has completed WSU's General Education Requirements. See here for specific MTA information and courses that qualify for MTA:  
<http://catalog.oaklandcc.edu/graduation-requirements/michigan-transfer-agreement/>

**Direct Course Equivalencies for each category**

- If you do not have an MTA endorsement, you can transfer the courses below to meet each requirement.
- Choose **one** from each category **except** for the Natural Scientific Inquiry, which requires **two** courses.
- Courses with an **asterisk (\*)** fall under more than one category, but these courses will fulfill only one category that would benefit the student most.

<b>Basic Composition (BC)</b>	<b>Fulfilled by degree requirements on page 2</b>

In addition to completing WSU’s general education requirements, students must fulfill requirements for the college/major of interest below (**no more than 64 credits from a two-year school will apply toward a Wayne State University degree**):

**Bachelors of Science degree requirements for the following Majors are indicated with an 'X':**

- Biomedical Engineering (BME)
- Chemical Engineering (CHE)
- Civil Engineering (CE)
- Electrical and Computer Engineering (ECE)
- Industrial and Manufacturing Engineering (IE)
- Mechanical Engineering (ME)
