

WSU **strongly** recommend that all transfer students **fulfill their general education requirements through the [Michigan Transfer Agreement \(MTA\)](#) before transferring to WSU**. Each community college has an MTA approved course list of its own, so please refer to the list of courses that your respective community college has approved for MTA. If you do not have an MTA or MACRAO endorsement, verify that each course you select at your community college will meet a WSU general education requirement by checking here: [Michigan Community College General Education Tables](#). For Schoolcraft MTA information: <http://www.schoolcraft.edu/academics/michigan-transfer-agreement>

In addition to completing WSU’s general education requirements, students must fulfill requirements for the college/major of interest below. **No more than 64 credits from a community college (a two-year school) will apply toward a Wayne State University degree.**
