This transfer plan will help guide you in making the transition from community college to Wayne State University. Here are some things to keep in mind before you begin:

- No more than 64 credits from a two-year school will apply toward a Wayne State University (WSU) degree.
- We strongly recommend that you see your community college advisor to ensure you are taking the correct courses. We also encourage you to connect with a WSU advisor to learn what the path to your degree looks like. If you need help making an appointment, please call the Transfer Student Success Center at 313-577-2487 or email transfer@wayne.edu.

One of the main areas of focus for transfer students is the WSU General Education Requirements. These are classes in addition to courses within your major that are required to ensure fundamental skills and a well-rounded education. There are three ways that transfer students can meet these requirements:

**Michigan Transfer Agreement (MTA) – Strongly Recommended**
A student whose community college transcript is endorsed as "MTA satisfied" has completed WSU’s General Education Requirements. See here for specific MTA information and courses that qualify for MTA: [http://www.wccnet.edu/services/transferresources/mta/](http://www.wccnet.edu/services/transferresources/mta/)

**MACRAO Agreement**
A student whose community college transcript is endorsed as “MACRAO satisfied,” or has earned one of the following associates degrees from a Michigan Institution (Associate of Arts, Associate of Science, Associate of Baccalaureate Studies or Associate of Liberal Arts) has completed WSU’s General Education Requirements.

### Direct Course Equivalencies for each category
- If you do not have an MTA or MACRAO endorsement, you can transfer the courses below to meet each requirement.
- Choose one from each category except for the Natural Scientific Inquiry, which requires two courses.
- Courses with an asterisk (*) fall under more than one category, but these courses will fulfill only one category that would benefit the student most.
- **Bolded** courses are part of the major requirements for this degree. See under Major Requirements on page 2.

Tech. Comm II: Prsnt (OC) | ENG 3060 | 3 | No equivalent course at WCC – must be taken at WSU | 3 | X | X | X | X | X | X | X
Professional Ethics (CI) | PHI 1120 | 3 | No equivalent course at WCC – must be taken at WSU | 3 | X | X | X | X | X | X | X
Basic Engineering I | BE 1200 | 3 | No equivalent course at WCC – must be taken at WSU | 3 | X | X | X | X | X | X | X

*IE requires ECO 2010.*

Once students apply to the College of Engineering, they may be admitted to the Professional Engineering program, the Pre-professional Program, or EOS bridge program, depending on their educational background and placement examination results. Please see here for more information: [https://wayne.edu/students/majors/engineering/](https://wayne.edu/students/majors/engineering/)
