This transfer plan will help guide you in making the transition from community college to Wayne State University. WSU strongly recommend that all transfer students to meet with a WSU advisor to ensure you are taking the correct courses before transferring. Here are the advisor contact information to set up an appointment:

Nora Alhussainy, cj2925@wayne.edu, 313-577-6831
Antoinette Cunningham, fv0926@wayne.edu, 313-577-0185
Kimberly Hunter, khunter@wayne.edu, 313-577-0601
Rebecca Russell, rrussell@wayne.edu, 313-577-2296

One of the main areas of focus for transfer students is the WSU General Education Requirements. These are classes in addition to courses within your major that are required to ensure fundamental skills and a well-rounded education. There are two ways that transfer students can meet these requirements:

**Michigan Transfer Agreement (MTA)**
A student whose community college transcript is endorsed as "MTA satisfied" has completed WSU's General Education Requirements. See here for specific MTA information and courses that qualify for MTA:

http://www.wcccd.edu/students/pdfs/Catalog_2018-2019_FINAL_Web.pdf (See pages 33-35 of the course catalog)

**Direct Course Equivalencies for each category**
- If you do not have an MTA endorsement, you can transfer the courses below to meet each requirement.
- Choose one from each category except for the Natural Scientific Inquiry, which requires two courses.
- Courses with an asterisk (*) fall under more than one category, but these courses will fulfill only one category that would benefit the student most.
- Bolded courses are part of the major requirements for this degree. See under Major Requirements on page 2.
