This transfer plan will help guide you in making the transition from community college to Wayne State University. WSU strongly recommend that all transfer students to meet with a WSU advisor to ensure you are taking the correct courses before transferring: https://education.wayne.edu/admissions.

One of the main areas of focus for transfer students is the WSU **General Education Requirements.** These are classes in addition to courses within your major that are required to ensure fundamental skills and a well-rounded education. There are two ways that transfer students can meet these requirements:

Michigan Transfer Agreement (MTA)
A student whose community college transcript is endorsed as "MTA satisfied" has completed WSU's General Education Requirements. See here for specific MTA information and courses that qualify for MTA:
http://www.wcccd.edu/students/pdfs/Catalog_2018-2019_FINAL_Web.pdf **(See pages 33-35 of the course catalog)**

Direct Course Equivalencies for each category
- If you do not have an MTA endorsement, you can transfer the courses below to meet each requirement.
- Choose **one** from each category **except** for the Natural Scientific Inquiry, which requires **two** courses.
- Courses with an **asterisk (*)** fall under more than one category, but these courses will fulfill only one category that would benefit the student most.
