## About WayneDirect

**WayneDirect** is a program for currently enrolled Wayne County Community College District students who are interested in transferring to Wayne State University to earn a bachelor's degree. The program provides Wayne County Community College students opportunities to learn more about Wayne State University academic programs, to participate in campus events and activities and to obtain early

admission to Wayne State University. Through **WayneDirect**, students can avail themselves of special services that will assist them in their transition to Wayne State and increase their likelihood for success. Eligible participants include any currently enrolled Wayne County Community College District student.

Students are encouraged to apply for **WayneDirect** early in their college career. This is to ensure that the **WayneDirect** participant can fully benefit from the program and ensure a smooth transition to Wayne State. At the completion of the **WayneDirect** program, and at the time of transfer to Wayne State, the **WayneDirect** student will have a minimum of 50 credit hours completed or an associate degree. Additionally, the student will have a minimum 2.0 grade-point average. **WayneDirect** students have the opportunity to apply for Wayne State scholarships at the time of transfer to Wayne State.

**WayneDirect** does not ensure admission to professional programs or other degree programs with special admission criteria. **WayneDirect** students who complete the program and are interested in applying to a professional program or other degree program with special admission criteria must complete the application process for that particular program but will not need to file an Undergraduate Admissions Application.

## Benefits of WayneDirect

- **Early Admission WayneDirect** participants are guaranteed admission to Wayne State provided they meet the requirements of the **WayneDirect** program; a minimum cumulative 2.0 grade-point average and 50 credit hours of post-secondary work or an associate degree. These requirements must be met upon completion of the program and at the time of transfer to Wayne State. The **WayneDirect** application is the only application participants need to complete to transfer to Wayne State.
- **Bridge Sessions** These sessions will help familiarize **WayneDirect** participants with all of the resources Wayne State offers. Participants have direct contact with academic advisers and other key resources on campus during the sessions.
- **Transfer Plans WayneDirect** participants will have access to regularly updated transfer plans specific to their intended major. Before enrolling at Wayne State, participants will receive an official transfer credit evaluation to assist in planning for course selection. For more information regarding transfer credit equivalency guides and transfer plans, visit [transfercredit.wayne.edu](http://transfercredit.wayne.edu).
- **Wayne State Libraries** Wayne State will make the full resources of the library system available to **WayneDirect** students to conduct research, prepare papers and use as needed. For more information on **WayneDirect** library services, visit [www.lib.wayne.edu/students/waynedirect.php](http://www.lib.wayne.edu/students/waynedirect.php).
- **Wayne State OneCard** **WayneDirect** participants will be provided a Wayne State OneCard, a multipurpose identification and debit card. The OneCard can be used for parking, library services, copying and printing services and food venues. OneCard holders can receive discounts at local businesses by showing their OneCard at the time of purchase.
- **Academic Resources** Tap in to Wayne State's academic and career resources as a **WayneDirect** participant. Students will have opportunities to meet with academic advisers in their academic area of interest and attend the Writing Center's workshops and presentations covering the writing process. **WayneDirect** participants can access Wayne State's Academic Success Center for tutoring and success workshops. Wayne State's Career Services staff can assist **WayneDirect** students in their career development through career counseling, resume workshops and mock interviews.
- **Fitness Facility** Work out and stay in shape at the Matthaei Athletic Complex. **WayneDirect** participants can use this athletic facility by showing their OneCard. The athletic complex has basketball and racquetball courts, an open weight room and an Olympic-size swimming pool.
- **Special Wayne State Events** **WayneDirect** participants have access to Wayne State student activities and events. Meet Wayne State students and enjoy campus life at these events.

### Procedure to Apply

- Students interested in applying should complete a **WayneDirect** application and have official transcripts sent from all educational institutions attended. There is no **WayneDirect** application fee.
- Once in the **WayneDirect** program, participants must earn a minimum of 50 total credit hours and are strongly encouraged to complete an associate degree at Wayne County Community College District. Participants who want to transfer to Wayne State University with less than 50 credits completed toward the **WayneDirect** program must complete an Undergraduate Admissions Application, follow all instructions for a transfer student and meet the minimum transfer admissions requirements.
- **WayneDirect** is designed for students just starting their college careers and therefore is only open to those who have earned fewer than 50 credit hours. Students with more than 50 credits or an associate

degree can apply as transfer students to Wayne State University by completing the Undergraduate Admissions Application.

- If a student wants to take classes at Wayne State University while enrolled at Wayne County Community College District, the student should call the Wayne State Office of Undergraduate Admissions at (313) 577-3577.

#### Note:

- Due to NCAA regulations, student athletes are not eligible for the **WayneDirect** program.
- International students on an F-1 visa are not eligible for the **WayneDirect** program.
- If a student has already attended Wayne State University, the student should contact the Wayne State Office of Records and Registration to update his or her information. The student should not complete a new Wayne State University application.

### FERPA Release

Students' educational information is released subject to the confidentiality provisions of the Family Educational Rights and Privacy Act (FERPA) and other appropriate state and federal laws and regulations, which prohibit disclosure of educational information without the specific written consent of the person to whom it pertains or as otherwise permitted. **WayneDirect** participants will authorize the sharing of educational and university directory information between Wayne County Community College District and Wayne State University as designated on the **WayneDirect** application. For more information regarding FERPA, please visit [www.ed.gov/policy.gen.guid/fpco/ferpa.index.html](http://www.ed.gov/policy/gen.guid/fpco/ferpa.index.html).
