Sometimes all we have is the strength inside. The kind of strength that keeps you moving forward when you'd rather turn back. The strength to do the right thing when it's easier to do nothing at all. To do good and then ask, “How can I do better?”

The strength to never settle for the way things are, but to strive for the way things ought to be. And know that to get where you want to go, you might have to make your own path. At Wayne State University, we take that strength and make it stronger.

Because being strong isn’t strong enough. You need to be Warrior Strong.
